

## Privacy Policy for Flexion Float - Motion Therapy

Last Updated: December 6, 2025

### 1. Introduction

This Privacy Policy explains how the application "Flexion Float - Motion Therapy" ("we," "our," or "the App") collects, uses, and discloses information about you. This App is developed and operated by [Your Name or Clinic Name].

By using the App, you agree to the processing of your information as described in this policy.

### 2. Camera Data and Motion Tracking

This App requires access to your device's Camera to function.

**Purpose:** The camera is used solely to detect the motion of your arm/body in real-time to control the game elements (e.g., moving the boat).

**Local Processing:** All image data and motion processing occur locally on your device.

**No Storage:** We do not record, save, store, or transmit any images, video footage, or facial data to any external servers or third parties.

**Data Deletion:** The temporary motion data is discarded instantly as soon as the game session ends.

### 3. Data Collection and Usage

**Personal Information:** We do not collect, store, or share any personally identifiable information (PII) such as your name, email address, phone number, or physical location.

**Usage Data:** The Google Play Store may collect anonymous crash reports and download statistics. This data is aggregated and does not identify you personally.

### 4. Medical Disclaimer (Important)

This App is classified under the "Health & Fitness" category but is intended for wellness and supportive exercise purposes only.

**Not Medical Advice:** This App is not a substitute for professional medical advice, diagnosis, or treatment.

**Consult a Professional:** Always seek the advice of your physician or qualified physiotherapist regarding any medical condition or before starting a new exercise regimen.

**Safety:** Users should ensure they have adequate physical space to perform arm movements safely to avoid injury or damage to surroundings.

### 5. Children's Privacy

We do not knowingly collect personal data from children under the age of 13. Since the App processes all data locally without storing personal information, it is safe for general audiences.

### 6. Changes to This Policy

We may update this Privacy Policy from time to time. You are advised to review this page periodically for any changes. Changes are effective immediately after they are posted on this page.
