

Privacy Policy for Bottom Button Clicker

Effective Date: 2024-11-06

1. Introduction

Thank you for using Bottom Button Clicker ("the Extension"). Your privacy is important to us. This Privacy Policy explains how we handle your information when you use our Extension.

2. Information We Collect

Bottom Button Clicker does not collect any personal information or usage data from users while using the Extension. The Extension operates without tracking or monitoring your activity on the web.

However, if you choose to provide feedback through an optional uninstall survey, we may collect feedback-related information, including any comments and an optional email address if you provide it.

3. Storage of Data

The Extension uses Chrome's storage API to save your preferences, specifically the buttons you choose to remember for easy access. This data is stored locally in your browser and is not transmitted to our servers or any third party.

If you provide feedback in the uninstall survey, your responses will be stored securely, and any optional email addresses provided will be used solely for the purpose of responding to feedback or questions.

4. Use of Information

The information stored in your browser is used solely to provide the functionality of the Extension, allowing you to save and access buttons without the need to scroll.

Feedback collected from the uninstall survey, including optional email addresses, will be used exclusively to improve our Extension and understand user needs. We may reach out to you if you provide your email address and request follow-up contact.

5. Data Security

We take the security of your data seriously. Since we do not collect personal information during regular use of the Extension, there is no data to secure outside of your local storage. Your saved button preferences are only accessible through the Extension on your device.

For feedback collected through the uninstall survey, we implement appropriate security measures to protect this data from unauthorized access. Any optional email address provided will be used solely for feedback-related correspondence.

6. Data Retention

Feedback responses, including optional email addresses, are retained only as long as necessary to improve the Extension and address user concerns. If no further follow-up is needed, feedback data will be deleted within a reasonable time frame.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices. We will notify you of any significant changes by posting the new policy in the Extension or through other communication methods.

8. Contact Us

If you have any questions or concerns about this Privacy Policy or the practices of Bottom Button Clicker, please contact us at tensiontools@gmail.com.
