

List will be added to as I think of more, if your fetish isn't on here ask me about it!

Please also be aware that a majority of the kinks on the will draw list are not my own, just things I'm okay with drawing.

I please ask, when you are commissioning NSFW from me, to keep a professional attitude about it. I really don't want to hear how the piece I'm drawing is "so hot ~~murr ", it makes me uncomfortable.

RULES ON SEQUENCES

- I will do sequences of fetishes that may call for such a thing (ex, inflation, transformation, weight gain)
- Sequences will be separated images instead of one full image of the full sequence, I draw pretty big so that would end up as a gigantic canvas.
- Sequences do not get a discount, each "page" of the sequence will be another +\$ however much the type of art you're buying is.
- I will draw at max 4 panels
- Alts can be made of images, you will have to pay for alts but they won't be full priced

WILL draw

- Vanilla
- Weight gain/fatfur
- Stuffing
- Inflation
- Pregnancy (including mpreg)
- Vore
- Maws
- BDSM
- Petplay
- Pup play
- Fetish gear (ex, harnesses, leash and collar, etc.)
- Hyper
- Slime
- Rubber/latex

- Plushie Transformation
- Pooltoy Transformation
- Other types of transformation
- Paws - with exceptions (I WILL draw feet paws that look like paws, I will NOT draw very humanoid feet. I don't like drawing human feet and I'm not good at it.)
- Hypno/hypno eyes (NO NONCON)
- NSFW of feral dragons, only if they portray a human level of intelligence or greater.

Will MAYBE Draw

- Macro/Micro - I don't draw backgrounds. But I will draw props and SOME couple art. So if you'd like to work with that to convey a macro/micro piece I will probably work with you.
- Canon characters - I will be picky on what kinks I will draw with who if it's a media I'm familiar with, and I will never under any circumstances "age up" an underage character. Media I'm not familiar with or don't have a personal attachment to I'll probably do whatever kinks.
- Eggs - only because I don't have much experience with this type of art. Depending on what you want, I may be able to do it.
- Non-mouth Vore - Ask, case by case basis

WILL NOT Draw

- Underage
- Ferals
- F*ta/C*ntboy/d*ckgirl/etc. (Intersex and trans characters are fine. Characters with "both parts" are fine as long as they are not labeled as one of the above things.)
