From Easton’s Bible dictionary:

an officer selected by kings and generals because of his bravery, not only to bear their armor, but also to stand by them in time of danger.

1. The Lord can win a battle whether He has many warriors or only a few!
 - a. Even if it’s only You!
2. We need to follow Jesus like this armor bearer followed Jonathan.
 - a. Right behind, fully committed to following Jesus wherever he goes.
3. We find victory through courageous obedience to God!

Even people who were hiding came back to fight for God’s army!

Even warriors who had gone over to the enemy's side came back to God because God forgives us when we make mistakes.
