What is going well?

FFA Week was a huge success. The week was highlighted by Anything but a Backpack Day and a school wide assembly on Friday. We currently have 60 students participating in FFA. This is another one of great opportunities our students have to be involved and have positive learning experiences.

Several staff members visited the middle school on 2/21 to help the incoming 9th grade enter their schedules for the 2023-2024 school year. The students were excited to begin planning their high school experience. A big thank you to the counselors, secretaries, and teachers who helped plan this for our kids.

What are we improving?

We are continuing with 6-12 vertical alignment of our essential learnings. Staff has been having good conversations and are digging into what we are helping our students learn in all courses. This will be an ongoing process and we are excited to begin the work.
