Tutu Tuturu - Today at 3:40 PM

I have bad news. The feed back of the group towards you have been very negative so we will have to let go of you.

Excel - Today at 3:40 PM

excuse me?

you mean teh guy

who does the top damage as caster
the top damage as tank
knows all the mechanics
doesnt mess up

Tutu Tuturu - Today at 3:41 PM

I dont think its a skill issue but mostly a personality clash.

Excel - Today at 3:41 PM

pop into discord plz
who's the issue with?
cause we havent even had a full group
yet
get in discord
easier than typing

Tutu Tuturu - Today at 3:44 PM

I cannot pop in discord until later today. I will not point at anyone, but the issue is generalized enough for me to act upon it.

Excel - Today at 3:44 PM

i see the nelt me handle this
you're trash
do not waste my time again
scrub
i had to put up with you fucking failing to heal
for like 3 fucking lockouts
and rtards could do it in 20 minutes
in most pug groups
absolutely pathetic
loser
you have nothing to say for yourself?
come on
don't be such a little bitch

Tutu Tuturu - Today at 3:53 PM

I dont have time and have no interest to.

Excel - Today at 3:53 PM

do you know why
because you're straight up unintelligent
i might as well be trying to teach a retard physics
fucking trash players
i left another group
because i thought you guys had good attitudes
you wasted my fucking time
you owe me an apology
i did everything your group fucking asked. i played any role you wanted
i did any strat you wanted
magebot complained the entire fucking time
and im the one with an attitude problem?

Tutu Tuturu - Today at 3:55 PM

After all of this I doubt I owe you anything. Try having a Nice day.

Excel - Today at 3:55 PM

dude
sincerely
go grab a knife and slit your throat
you're worthless
trashcan

Tutu Tuturu - Today at 3:58 PM

If you say so

Excel - Today at 3:59 PM

yo nigger
why dont you just admit
you wanted light's drg
Excel - Today at 4:00 PM
because you dont like blms
instead of ma,king excuses
why dont you just admit
that you're actually a piece of shit like that
i enver said

i had to blm for you
i was willing to drk for you
YOU ASKED ME TO BLM
that aint my fucking problem
its just pathetic you cant even justify shit
yo
wanna give me an example of something mean i said in raid?
that justifies you kicking me
go ahead

You missed a call from Excel.Today at 6:33 PM

You missed a call from Excel.Today at 6:33 PM

Excel - Today at 6:35 PM

you there?
your people keep adding me
and trying to talk to me

Tutu Tuturu - Today at 6:35 PM

Are they?

Excel - Today at 6:35 PM

yep
talk to me a sec
You missed a call from Excel.Today at 6:36 PM

Excel - Today at 6:36 PM

talk to me
like an adult please

Tutu Tuturu - Today at 6:37 PM

Im unpacking

Excel - Today at 6:37 PM

well you found enough time to start a ton of drama
while you were moving
now you dont have the time to talk?

Tutu Tuturu - Today at 6:38 PM

I didnt start any drama?

Excel - Today at 6:38 PM

yes

you did

you removed me from the static for no reason even after i was patient with you guys

ashika says its because i made same suggestions that you disagreed with?

like holding trick

hey im not the one who failed the dps checks

i was just trying to spitball ideas

Tutu Tuturu - Today at 6:39 PM

:confused:

Excel - Today at 6:39 PM

=/

that's all you can say?

do you guys not accept any personal responsibility?

like lets be real here

who was holding us back?

was it me?

probably not since i had seen ifrit like 40 times

and yet i didnt shit talk you guys

i didnt have a bad attitude

i made suggestions to which some people got really mad

Tutu Tuturu - Today at 6:40 PM

I already told you it wasn't a skill thing

Excel - Today at 6:40 PM

but i had a good attitude

so

not a skill thing

but yet im kicked because you guys werent patient enough with my patience

i was actually really nice

considering you failed the healer check for multiple lockouts

i said NOTHING
mage didnt even know to use fucking sacred soil
i said nothing
yet im the one who is kicked
and you cant even discuss it with me?
your group has zero chance of ever clearing period. not because of skill
but because based upon this turn of events
you have no personal accountable
never your fault
never mage's fault
never ashis' fault
accountability*

Tutu Tuturu - Today at 6:42 PM

We might or might not clear, who knows

Excel - Today at 6:42 PM

no
you absolutely wont
and ill be surprised
if you even beat garuda enrage without me

Tutu Tuturu - Today at 6:42 PM

Hard to tell so early

Excel - Today at 6:42 PM

without some practice
but its fine
when i show all this to milo and flara
and how you treated me
hopefully they'll leavey our group
because you actually did wrong me
you straight up treated me like shit
and that's not what good people do
that bard of yours
is making party finders about me
he's adding me on discord to harass me
is that how adults behave?

Tutu Tuturu - Today at 6:43 PM

I told him to stop

Excel - Today at 6:43 PM

so what

its been done

Tutu Tuturu - Today at 6:44 PM

I mean, you did call all of them bad

Excel - Today at 6:44 PM

if the shoe fits

im not the one who failed the mechancis and then kicked somebody

you literally failed the mechanics

and kicked somebody else

how is that not rude?

Tutu Tuturu - Today at 6:44 PM

So I doubt youll find any sympathy with Milo

Excel - Today at 6:45 PM

you're just mad

you're just mad i didnt take it like a bitch

Tutu Tuturu - Today at 6:45 PM

Im very calm

Excel - Today at 6:45 PM

sure

anyway your group has no future

Tutu Tuturu - Today at 6:46 PM

Who knows

Excel - Today at 6:46 PM

you attacked the wrong person

Tutu Tuturu - Today at 6:46 PM

\shrug

Excel - Today at 6:52 PM

you do realize

i just wanna put this into perspective

magebot has done this every day for a week. about 15 hours into garuda prog or w/e and we have to ask him to use sacred soil at the highest damage part of the fight

Tutu Tuturu - Today at 6:53 PM

We did at most 9 hours

Excel - Today at 6:53 PM

like you know that actually took place right?

and he did it with antoher group too

Tutu Tuturu - Today at 6:53 PM

And yeah, it happened

Excel - Today at 6:54 PM

remember when you said

"we'd replace people holding others back"

why is mage still in the group?

he complained the entire time every raid too. his attitude was worse than mine

why is he still in the group

Tutu Tuturu - Today at 6:55 PM

Cause nobody has an issue with it?

Excel - Today at 6:55 PM

i see

so basically you went against your word

and its a popularity contest

and that some people can have shti attitudes

as long as they're not offending people or w/e

Tutu Tuturu - Today at 6:56 PM

Are they really shit attitude if everyone enjoy them?

Excel - Today at 6:56 PM

you thought his constant complaining was enjoyable?

Tutu Tuturu - Today at 6:56 PM

Humm

I didnt really mind it tbh

Excel - Today at 6:57 PM

straight up you cant even think of a single instance
where i said something negative
and yet he did nothing but complain the entire time

Tutu Tuturu - Today at 6:57 PM

If someone dont enjoy you... They dont
Loving something or not doesnt have to be rational

Excel - Today at 6:58 PM

that's fine but i will make sure your group dies because of your crappy attitude
you shoulda just never asked me to join in the first place. you wasted my time
i coulda gone and ran with smarter, better players

Tutu Tuturu - Today at 7:27 PM

I mean... You can try to make the group die
But thats a pretty bad attitude

Excel - Today at 7:28 PM

you started it
reap what you sow
im gonna send the logs of our runs to lemon
you should ask him to review them
and give you pointers
you guys dont seem to believe me when i say your dps and healing is wrong
so maybe you'll believe him

Tutu Tuturu - Today at 7:34 PM

humm

sure, send them to him :3
lemon is a good friend of ours

Excel - Today at 7:35 PM

you do realize you fucked up right?
like
you honestly realize that you did

Tutu Tuturu - Today at 7:35 PM

pretty sure milo already sent him the logs anyway
The strat we were doing is from his group
:thinking:

Excel - Today at 7:35 PM

you failing hte healing checks and them failing the dps checks
is not his strat
(he actually beats garuda)
you knwo who else beats garuda?
wanna know who else beats her?
me
on tuesday
before i tried to help you guys

Tutu Tuturu - Today at 7:36 PM

i mean, we did kill her yesterday
like... 3 time ?

Excel - Today at 7:36 PM

and i carried you hard
4.7k dps as tank doing all your little monkey mechanics
wanna know how much your pld was doing?
3k

Tutu Tuturu - Today at 7:36 PM

Well, then you will have no issue getting another group !

Excel - Today at 7:36 PM

im already in one
because im not a shitter

Tutu Tuturu - Today at 7:37 PM

I mean.... we are in one too !
Thats amazing !

Excel - Today at 7:38 PM

yes, but you're a group that has already failed
and youll continue to fail

Tutu Tuturu - Today at 7:38 PM

mhm....
if anime though me one thing is that you should never underestimate the power of friendship.
Using such occult power, we shall clear this corrupt and destructive fight that breeds hates and
violence.(edited)

Excel - Today at 7:40 PM

no
because i thought you and i were friends
but you betrayed me
for no good reason
so i have no doubt
you will fuck up again

Tutu Tuturu - Today at 7:41 PM

I might !
But friends are there to back me up !
I shall rely on them!

Excel - Today at 7:43 PM

so why did you betray my friendship?
was i not nice to you?

Tutu Tuturu - Today at 7:44 PM

well, if the group doesn't want to raid... they don't.
Not much I can do

Excel (failed copy pasta)

i cant believe your friend
was so mad i mentioned delaying trick
cause
you guys failing to do acceptable dps
is my fault amirite
how dare i make any suggestion
just beat garuda, pulled as drk tank, no ninja party
somehow
no threat issue
and we have a whm
why is that

patch 2.0 (Because I am bored and have free time. Enjoy more memes)

Tutu Tuturu-Last Saturday at 8:59 PM

Different cds most likely

Excel-Last Saturday at 8:59 PM

doubtful

you guys do no wrong

couldnt be you guys

Tutu Tuturu-Last Saturday at 9:00 PM

I guess you have a point

probably because lalas generate more aggro

Excel-Last Saturday at 9:00 PM

we had a lala

and a cat

Tutu Tuturu-Last Saturday at 9:00 PM

was he the whymage ?

Excel-Last Saturday at 9:00 PM

yes

Tutu Tuturu-Last Saturday at 9:00 PM

did he have a hat ?

Excel-Last Saturday at 9:00 PM

i dont remember

Tutu Tuturu-Last Saturday at 9:00 PM

thats the most important part

Excel-Last Saturday at 9:01 PM

clearly

Excel-Last Saturday at 10:27 PM

what kind of hat

would you suggest for lalafells

Tutu Tuturu-Last Saturday at 10:27 PM

HUmm

The sillier the better

Excel-Last Saturday at 11:38 PM

you guys go in tonight?

Tutu Tuturu-Last Saturday at 11:39 PM

we don't

Why do you want to know ?

Excel-Last Saturday at 11:40 PM

nvm

Update 3.0 (after the doc spreaded to the balance[somehow?])

Excel - Last Sunday at 7:28 PM

i liked your google doc
that was cute

Tutu Tuturu - Last Sunday at 7:35 PM

people kept asking for a copy pasta
so I gave them a copy pasta

Excel - Last Sunday at 7:35 PM

i hope you've learned something from this
but since you're slow here's the lesson:
"waste somebody's time and tell them you hate their personality and they just might defend themselves"

Tutu Tuturu - Last Sunday at 7:43 PM

As far as I can tell, you really didn't cause any issue.

Excel - Last Sunday at 7:44 PM

what do you mean?

Tutu Tuturu - Last Sunday at 7:44 PM

for the group at least.

Excel - Last Sunday at 7:44 PM

so you're saying i was kicked for no reason?

Tutu Tuturu - Last Sunday at 7:44 PM

so I fail to see what you mean by "defend yourself"

Excel - Last Sunday at 7:45 PM

you said all feedback about me was negative and it wasn't a skill issue. i just wasn't liked
how is that not insulting?
"hey tutu everyone hates you gtfo"
is that a friendly thing to say?

Tutu Tuturu - Last Sunday at 7:46 PM

and since you seem to still not understand, lemme once again repeat for the third time. You

were kicked because your personality didn't match with the rest of the group. It doesn't mean its bad. It just didn't match.

Excel - Last Sunday at 7:46 PM

that's not what you said though lol

Tutu Tuturu - Last Sunday at 7:47 PM

"

Tutu Tuturu - Yesterday at 3:40 PM

I have bad news. The feed back of the group towards you have been very negative so we will have to let go of you."

Tutu Tuturu - Yesterday at 3:41 PM

I dont think its a skill issue but mostly a personality clash.

Tutu Tuturu - Today at 7:46 PM

and since you seem to still not understand, lemme once again repeat for the third time. You were kicked because your personality didn't match with the rest of the group. It doesn't mean its bad. It just didn't match.

Excel - Last Sunday at 7:48 PM

wasnt i like

the first person you recruited anyway

Tutu Tuturu - Last Sunday at 7:48 PM

No?

Excel - Last Sunday at 7:48 PM

cause like

milo has no issue with me

you have no issue with me

i have no issue with me

that's 3/8 with no issue

i cant imagine trav had any issue with me we literally never talked

that's 4/8

so half of the group has no problem

ashika came to one raid night

so he cant have an opinion

that's 5/8

jojo came to one raid
he cant have an opinion
that's 6/8
so who's left? mage?

Tutu Tuturu - Last Sunday at 7:50 PM

you can't have an opinion about someone by spending 2 hours with them ?

Excel - Last Sunday at 7:50 PM

mage is a retard
so i made more raid time than him
and was more dedicated
why not just kick him?
if he cant deal
there is literally no logical rationale
that you will be capable of coming up with
but its fine. you've obviously never been a leader before
you'll learn

Tutu Tuturu - Last Sunday at 7:51 PM

I mean, if more then half the group come to me and say that they dislike you....

Excel - Last Sunday at 7:51 PM

so
who was the half?
the people who actually attended raid
minus mage
had no issue

Tutu Tuturu - Last Sunday at 7:51 PM

They might not come to you with it, I wouldn't either.

Excel - Last Sunday at 7:52 PM

uhhuh

Tutu Tuturu - Last Sunday at 7:52 PM

and after seeing how you reacted, I will obviously not say any names

Excel - Last Sunday at 7:52 PM

oh i dont really care anymore

Tutu Tuturu - Last Sunday at 7:52 PM

Then why are you still messaging me /sigh

Excel - Last Sunday at 7:52 PM

but your leadership skills
are definitely poor

Tutu Tuturu - Last Sunday at 7:52 PM

if you value your time so damn much, just go, get a group and clear UWU

Excel - Last Sunday at 7:52 PM

because you made a google doc
in order to perpetuate drama
maybe take responsibility for your actions
i mean i know yo ucant figure out a simple healer rotation in garuda but come on man this aint
hard either

Tutu Tuturu - Last Sunday at 7:53 PM

You said stuff, if the stuff you said is backfiring on you, thats a you issue.

Excel - Last Sunday at 7:53 PM

how is it backfiring on me?

Tutu Tuturu - Last Sunday at 7:53 PM

"if"

Excel - Last Sunday at 7:53 PM

ahh okay
because the net result
is that i dont have to waste time watching you retards wipe to garuda
you sure showed me

Tutu Tuturu - Last Sunday at 7:54 PM

Thats good for you ^^

Excel - Last Sunday at 7:54 PM

it woulda been better
if i you just didnt waste a week of my time
and i coulda joined a real group
instead of turning people down to raid with you

Tutu Tuturu - Last Sunday at 7:55 PM

I owe you 9 hours, big deal

Excel - Last Sunday at 7:55 PM

i make \$40 an hour
you wanna send me a check for \$360?
what's that an entire weeks paycheck for you at minimart or w/e
oh well have a good one
i got other shit to do

Tutu Tuturu - Last Sunday at 7:56 PM

Yeah,please stop wasting everyone's time

Excel - Last Sunday at 7:57 PM

im not wasting anyone's time
you've accomplished nothing
and you'll continue to accomplish nothing
the most work you've done so far was creating a google doc

Tutu Tuturu - Last Sunday at 7:57 PM

You've made me read for like.... 5-6 hours of useless text

Excel - Last Sunday at 7:57 PM

it takes you that long to read?
no wonder you work at gas station

Tutu Tuturu - Last Sunday at 7:58 PM

cannot read what is not written yet <.<(edited)
silly goose.

Excel - Last Sunday at 7:58 PM

so let the issue drop and stop having people message me about it

Tutu Tuturu - Last Sunday at 7:58 PM

I'm not asking anyone to message you. People live in the free world and do whatever they want to do

Excel - Last Sunday at 7:59 PM

but it is a direct consequences of your choices
do you understand cause and effect?

Tutu Tuturu - Last Sunday at 7:59 PM

And yours.

All I did was sharing what you said.

Which is a direct consequence of what you did

Excel - Last Sunday at 8:00 PM

and what you said

what i said*

is a direct consequence of what you said

and how you acted

Tutu Tuturu - Last Sunday at 8:00 PM

Sure you did that cause I kicked you, but once again you got kicked because of your own action.

Excel - Last Sunday at 8:00 PM

my own actions?

you mean showing up to raid on time every night

Tutu Tuturu - Last Sunday at 8:00 PM

well, personality.

Excel - Last Sunday at 8:00 PM

and doing a good job

i think that i deserved more respect than that

you could's said

hey, some people dontl ike when you say something like xxxxxx in raid

do you think you can try to not do that?

and i could say

oh i didnt realize that upset people

my bad ill watch out for that
but because you actually have no idea how to lead, youve wasted a ton of my time and created
a ton of drama
and even when i asked you for an example of waht upset people
you still werent able to provide an example

Tutu Tuturu - Last Sunday at 8:16 PM

... Do you write an essay about everyone you dislike? People told me they disliked you so I have
no reason to doubt them. And not like I am going to say "Well your reason to not like him are
not rational so fuck y'all"

Excel - Last Sunday at 8:16 PM

so
yea you kinda do have to provide a reason
otherwise it sounds petty and dumb
basically
you brough this all on yourself because of pettiness

Tutu Tuturu - Last Sunday at 8:17 PM

"all this"
All what?
All I receive is your mails, everything else is just like normal.

Excel - Last Sunday at 8:18 PM

im not the one who has people messaging me and making party finders
like legit
we coulda probably killed ifrit this weekend
if you didnt rend the group
but instead you chose to waste everyone's time

Tutu Tuturu - Last Sunday at 8:19 PM

deveryone?
i mean, we are probably going to kill iffrit this weekend... maybe start of next week?
even if it takes a full week its fine

Excel - Last Sunday at 8:20 PM

no i mean

you'll still be propping garuda for awhile
because you still don't know how to heal it

Tutu Tuturu - Last Sunday at 8:20 PM

i mean... we did kill her...
you were in the fight

Excel - Last Sunday at 8:20 PM

you got lucky the few times
actually did your job
and
you had 2 dps pugs
that were better
than your actual raid members
remember jojo can't even out dps my blm

Tutu Tuturu - Last Sunday at 8:21 PM

well, one of them is with us now !

Excel - Last Sunday at 8:21 PM

which one?
light?

Tutu Tuturu - Last Sunday at 8:21 PM

Yup

Excel - Last Sunday at 8:21 PM

he wasn't even the one that carried you
you can't handle the mch lol

Tutu Tuturu - Last Sunday at 8:21 PM

I mean
We had a 5% enrage
so with the dragoon's buff
we should be fine
you said it yourself we were missing buffs in the opener
now we got them
all in all, our comp is much better now

sure comp is not everything
but its going to help out
But anyway
Despite all you said
Hoping for the best for you dude.
Take care!

Excel - Last Sunday at 8:26 PM

okay baddie

Tutu Tuturu - Last Sunday at 8:26 PM

r00d

Excel - Last Sunday at 8:26 PM

where'd you post the google doct at?
becausep eople ask me about it
which is hilarious

Tutu Tuturu - Last Sunday at 8:26 PM

humm

To be fair, I don't know how it got to the balance

Excel - Last Sunday at 8:27 PM

oh cool

Tutu Tuturu - Last Sunday at 8:27 PM

I think its someone from critical rip that posted it?
100% guess work there

Excel - Last Sunday at 8:28 PM

hmm i dont see it there

Tutu Tuturu - Last Sunday at 8:29 PM

welp, idk

but there it shouldn't be any issue

Now everyone know you're the super black mage of primal who can carry baddies through
Garuda

Excel - Last Sunday at 8:30 PM

im okay
significantly better than you people
but i never said iw as a super blm
you're just not good

Tutu Tuturu - Last Sunday at 8:32 PM

Well, im clearly and without a single doubt bad at recruiting

Excel - Yesterday at 12:54 PM

so you have no idea where this google doc is at lulz?

Tutu Tuturu - Yesterday at 1:14 PM

Well. I know where it is, i just dont know how it spreaded

Excel - Yesterday at 1:15 PM

you may wanna stop it because you're actually being shit talked like crazy atm by top players
who apparently know you
apparently you've healed with some people in one of the top raid groups
and you're on their blacklist

Tutu Tuturu - Yesterday at 1:17 PM

Doubt I was lucky enough for that

Excel - Yesterday at 1:18 PM

well id tell you the names but its not my place
anyway
you should really put an end to the drama

Tutu Tuturu - Yesterday at 1:18 PM

Meh, people do whatever they want to do
Even if top player trash talk me... I fine with it really
