## What is HIP?

The Healthy Incentives Program (HIP) is a Massachusetts state program where SNAP recipients get extra SNAP money every month to spend on local fruits and vegetables. That means if you have SNAP, you automatically have HIP! Shop at these farm locations with your SNAP/EBT card, and get \$40/\$60/\$80 extra based on household size to spend through the HIP program. Note: you must have at least \$0.01 on your SNAP/EBT card when you go and shop; in other words, you need to have a balance on your EBT card in order to earn the HIP incentive.

## How to find a HIP location near you:

Locations are organized by county. Addresses are listed for each location, including zip codes. To search by zip code and find the location closest to you, visit [buylocalfood.org/hip-map](http://buylocalfood.org/hip-map)!

Information about open locations can change from month to month. For up-to-date information on locations, as well as other locations in the rest of the Pioneer Valley, see [www.facebook.com/HIP.PioneerValley](http://www.facebook.com/HIP.PioneerValley) or contact Clarissa at [clarissa@buylocalfood.org](mailto:clarissa@buylocalfood.org).

## ¿Qué es HIP?

El Programa de Incentivos Saludables (HIP) es un programa estatal de Massachusetts donde los beneficiarios de SNAP reciben dinero extra mensual para comprar frutas y verduras locales. Esto significa que si tienes SNAP, ¡automáticamente tienes HIP! Compra en estas granjas con tu tarjeta SNAP/EBT y obtén \$40, \$60 o \$80 adicionales, según el tamaño de tu hogar, para gastar a través del programa HIP. Nota: Debes tener al menos \$0.01 en tu tarjeta SNAP/EBT al comprar; es decir, necesitas tener saldo en tu tarjeta EBT para obtener el incentivo HIP.

## Cómo encontrar una ubicación HIP cerca de ti:

Las ubicaciones están organizadas por condado. Se listan las direcciones de cada ubicación, incluyendo los códigos postales. Para buscar por código postal y encontrar la ubicación más cercana, visite [buylocalfood.org/hip-map](http://buylocalfood.org/hip-map).

La información sobre las ubicaciones abiertas puede cambiar de un mes a otro. Para obtener información actualizada sobre las ubicaciones, así como sobre otras ubicaciones en el resto del Valle Pioneer, visite [www.facebook.com/HIP.PioneerValley](http://www.facebook.com/HIP.PioneerValley) o contacte a Clarissa en [clarissa@buylocalfood.org](mailto:clarissa@buylocalfood.org).
