

Cal Magic Refund Policy

Effective: April 1st, 2025

Updated from Previous

California Magic Soccer Club fully commits to every Magic player for the entire season. Players are expected to make the same commitment to their team and California Magic when accepting a roster position. Club Fees and Team Fees are calculated on a yearly basis with the presumption that all teams are at capacity through the duration of the season. These funds are necessary to cover all Club and Team operating costs.

Refunds for Club Fees and Team Fees will only be considered in extenuating circumstances limited to moving out of the area or a season ending injury that occurs prior to December 31st. Club Fee and Team Fee Refund are considered separately and may have different outcomes.
