We are staying at a [rental house](#) in the area of Burley, Idaho, about 45 minutes from Pomerelle. The address is as follows: 3709 Parke Ave, Burley, ID 83318.

There may be limited bed space available. Several teens will get beds, several will need to crash on a couch or a mat provided at the house. Guys and gals will be in separate areas on separate floors with direct adult supervision.

Phones: Teens are welcome to bring along their mobile phones. However, since the purpose of the trip is to focus our hearts on the Lord and to promote fellowship and fun together as a group, please encourage your teen to limit their time on the phone during the trip. Once we're at our house in the evenings, I will encourage teens to turn off their phones. If you as a parent need to get in touch with your teen in an emergency, you can text or call a sponsor. Phone service on the mountain will be negligible, so please plan accordingly.
