

Hey Paul,

Looking at your program Prescriptive fitness studio I can't help but tell you about my online training formula that will spike interest to your audience.

Big players like Brandon Carter have also implemented this strategy and have been getting tremendous results and so can you...

Furthermore, it will spiral your business sales up to 10% and because I want to prove to you and show you that I'm confident about it, I attached a step-by-step plan below to show you how this will work.

And this step-by-step plan will be beneficial for your audience because:

- (-) The process takes very little time
- (-) Effort and Sacrifice
- (+) Their dream outcome
- (+) The expected success of the project

Let's schedule a meeting to talk more about the step-by-step plan.

Is Friday the 20th of July okay with you? Let me know and we'll figure out a time that works.

Sincerely,
Abdulrahman
