

Community Contract

January 9th, 2017

Our mission statement: We will be present, engaged, and compassionate community members that challenge ourselves and each other to succeed in our classroom and in the world.

As a member of 7th Period ENGL IV, I will

- Be open to constructive criticism
- Pay attention and participate in class
- Interact with everyone in a positive way
- Be chill and give out good vibes
- Build each other up (through words and actions)
- Have positive body language
- Push myself to step up and step back

As the teacher of 7th Period ENGL IV, Ms. Cole will

- Consistently use Remind 101
- Enter in grades in a timely manner
- Give the class due dates ahead of time
- Have equality between all of her classes
- Create a fun learning environment through varied activities
- Be engaging and introduce new things
- Treat students like young adults (with respect, patience, and understanding of their development)
- Facilitate step up/step back

By signing this document, we agree to follow all of the expectations listed above.
