If you want to donate, please direct your donation to Kayla Hamilton’s GoFundMe accounts. Kayla Hamilton, an inspirational colleague and dear friend, created the Bitmojis & Benchmark

Advance/Adelante group. She designed the group to support teachers and students during distance learning. Kayla passed away suddenly on November 22, 2020. These two GoFundMe pages were created to assist with medical expenses and to provide scholarships for Ms. Hamilton's students. Please know that donating to GoFundMe is not necessary or an expectation, but it is appreciated to help support Kayla's family and students. Thank you!
