General Information

- Commissions are for personal use only. Commercial use only after consultation and corresponding surcharge of up to 100%
- You buy and receive a digital file from me with full resolution. Artworks & Illustrations usually come in .png / .bmp (.psd file can be requested)
- Make sure you save the work properly because I can not guarantee that the files are still complete with me after some time.
- If you want to upload the work on your accounts, profiles or galleries then you are welcome to do so, just let me know and make sure you post a watermarked version and credit me properly.
- I'm willing to make small changes to the final artwork if anything needs to be fixed but I won't completely rework / redo everything.
- I reserve the right to decline a commission if I am not comfortable doing it at the time.
- I always try to do my work to the best of my ability but some things suit me better than others. Feel free to check out my galleries and portfolio to make sure my style is right for you!

Payment Process

- I only accept Paypal - Euro € (+ 5% fee) unless otherwise stated
- I claim 20% of full payment upfront, the rest after the final sketch is sent and everything is confirmed as being okay
- Refunds are only possible if I haven't started to work on the art / illustration yet. Should the order be withdrawn prematurely, the service rendered up to that point must still be paid for: Sketch 20% / Lines 40% / Color 70%
- **Please do not send me any payment before I have accepted your commission!** Wait for my response first.

Commission Workflow

- Generally I do not accept deadlines of any kind
- I do not necessarily work in order slots were taken, but I try to keep it in mind. For an additional rush fee of 25% the commission can get prioritized
- I do not accept any orders that involve copying, modifying or similar from other images and artworks
- Complicated designs may receive a surcharge
- Proper references must be available: no text descriptions, wanky reference sheets, vague sketches, etc. - **unless** it is about a design commission

- The work begins after the final sketch has been approved - minor subsequent changes are possible
- I will keep contact with the client, showing WIPs such as sketches, lineart and check that all patterns are correct
- If the sketch is rejected I may keep it and continue working on it
- Refunds are only possible if I haven't started to work on the art / illustration yet. Should the order be withdrawn prematurely, the service rendered up to that point must still be paid for: Sketch 20% / Lines 40% / Color 70%
