What to expect at Motion 2022

Now in its fourteenth year, MOTION 2022 will be unlike any we have seen before. We are excited for the opportunity to gather with other students and their leaders from around the country in Birmingham, Alabama.

MOTION has never been about a conference; it's never been about lights, bands, or speakers. It's always been about one thing: a generation of young people, empowered by Jesus, putting their faith into MOTION every day.

Together, we see a world full of opportunity, created with purpose, redeemed by the love of Jesus, living in MOTION, and will start at MOTION 22! It is our prayer that students leave the conference refreshed, equipped, and inspired to live their lives in MOTION at home, in the local church, in their cities, and around the world.

Everyone, everywhere - come join us at MOTION 22!

FAQs

I'm entering middle school in the fall of 2022, can I attend summer camp?

YES. Motion 2022 x Thrive Students is for all students 6th-12th grade for the 2022-2023 school year.

What is required to go?

Students must register and turn in the first payment of \$195 by April 27th. All students who are registered and attending camp, plus at least one of their parents/guardians, must attend the Mandatory Parent/Guardian Meeting on May 22nd from 2-3p at Thrive Church. Final payment of the remaining \$195 is due June 1st.

Why Motion 2022 for summer camp?

Pastors Jacob and Hannah have known and been connected to the hosting church, Church of the Highlands, for over 10 years. It is a reputable church with incredible pastors and leaders. In addition, Pastors Jacob and Hannah are connected to the leader of the Student Ministries of Church of the Highlands, Mark Pettus. We are confident that this will not only be a life-changing, and powerful weekend, but also one that is safe, Bible-based, and Spirit-led. For more information on Motion 2022, visit motionstudents.com.

How does \$390 cover everything?

At Thrive Church, we believe there's a mandate on the house to reach the youth. We don't want finances to be the largest obstacle between students and an opportunity to encounter the presence of God. Therefore, through the generosity of finances, Thrive Church will be covering a large portion of the camp experience for each student to bridge the gap between the costs and what families will pay. It is our heart to keep camp affordable and extend this opportunity to as many students as possible.

What if I can't afford camp?

One reason we open registration early is to make it easier for families to send their students to summer camp by spreading the cost over several months. If you know you won't be able to afford summer camp at all, you may be eligible for financial assistance. If you think you'll need a partial scholarship to send your student, you'll want to wait to register your student and fill out this [scholarship application](https://iamthrivechurch.churchcenter.com/people/forms/369778) first.

Do you offer refunds?

After signing up for Motion 2022 x Thrive Students, your money is non-refundable. You may transfer your spot to someone else UNTIL June 1st, but please understand you are responsible for finding someone to transfer the spot to.

If I'd like to contribute to the scholarship fund, how do I do that?

Every single year, lives are changed at camp. We never want the cost of camp to be the reason students can't attend. Every donation means that more students can experience one of the best things we do all year long. The scholarship fund helps to bridge the gap between what Thrive Church invests in camp and what parents pay. It helps keep camp affordable and provides partial and full scholarships to students who would not be able to afford it. If you feel led to donate towards the scholarship fund, you can email the Thrive Church Finance Administrator, Deb Wagler, at accounting@thrivechurch.com to coordinate, or you can give directly through thrivechurch.com/give (General Fund), then emailing accounting@thrivechurch.com to specify your most recent giving towards Thrive Students camp.
