

NLP Comprehensive Master Practitioner Training

If you purchased the Living Encyclopedia Volume 1, you've enjoyed a thoroughly edited, polished, and cross referenced NLP Comprehensive Practitioner Training – a tool for both the neophyte and the master. You've probably already been telling your friends about it.

The response has been so strong from people who, like you, also want the Master Practitioner, and don't want to wait for another year or so, that we have decided to offer a limited edition of the raw, unedited Master Practitioner Training DVDs.

Here's what's included:

Section 1: Modeling with David Gordon

Section 2: Advanced Submodalities with Tom Best

Section 3: Meta-Programs with Charles Faulkner

Section 4: Beliefs with Adam Reynolds

Section 5: Adv. Language Patterns with Tamara Andreas

Section 6: Adv. Strategies with Charles Faulkner

Section 7: Self Concept Work with Steve Andreas

and:

Appendix A – Glossary of Common NLP Terms

Appendix B – Additional Practice Formats

Appendix C – Your Modelling Project

These are not edited or polished– you will have some extraneous footage.

So you may want to wait until next year to get the polished, dressed up, cross referenced version.

But if you are willing to put up with a bit of clutter and distraction – you can purchase the raw unedited DVDs at a special price that's almost half off the scheduled price for the finished, indexed, edited version.

That's a savings of almost \$2,000!

You will have everything that will be in the finished, edited version (and then some). It just won't be pretty. You'll have to do a little extra work.

If you want to take advantage of this Pre-publication "Fly on the wall" Special, call us now and we'll get your order out right away.

Full Price for the edited version will be \$3997.00 – Unedited, uncut raw version=

Your price now– \$2,397.00
