

Citizens of Heaven
Philippians 3:17-21

Main Idea: The Lord calls every believer to live out their identity as citizens of heaven.

1. As citizens of heaven, we need to surround ourselves with godly examples and follow their pattern of life (v. 17).
 - 1 Corinthians 11:1
2. As citizens of heaven, we need to watch out for those who claim to be citizens of heaven yet live for the world (vv. 18-19).
3. As citizens of heaven, we need to hopefully await the coming of our glorious Savior.
 - Revelation 1:7

Closing Question:

- Does the way we live show others that this world is not our home and that our citizenship is in heaven?
