¡Hola, everyone!

I'm thrilled that you've enrolled in our Spanish class, and I'm grateful you've chosen me as your instructor. Whether you're joining us for the first time or returning, welcome—I'm excited to learn with you.

As a reminder, we will meet for **18 live sessions**, each **45 minutes long**, starting on **Thursday, June 18th at 2:00 pm (ET)**. This course is offered **free of charge** to our *Perks at Work* and *Community Online Academy* affiliates. Please note that you will need to **register for each class individually**, with registration opening every **Friday afternoon (ET)**.

All sessions are **fully online, interactive, and designed to be engaging and fun**. For the best experience, please join from a comfortable space with a flat surface, good lighting, and a strong Wi-Fi connection. Homework is **not required**, but it is **highly encouraged** to support steady progress.

I look forward to working with you and helping you build confidence in Spanish step by step.

Warm regards,
Juan
