Structure

Please cover the following information

1. Introduction:
 - This should include presenting the topic and mentioning the main keyword in the first sentence.
 - Include some stats regarding why digital transformation is important for retailers

2. What is digital transformation and why does it matter for retailers?

Quick overview of what is digital transformation and why retailers should care about it.

3. Digital transformation benefits in retail

- Overview of the main benefits - think about what the event is about here as well and mention some of the elements you will talk about in the event
- Add statements of retailers about why its beneficial and add sponsor statements here if possible
- Make each benefit a new paragraph - [similar to this](#)
- Expand on the benefits from the above article in position 1 on Google

4. Digital transformation challenges in retail

- Same as benefits but for challenges
- This is a great opportunity to add a link into text to come to the event as you will be addressing some of those challenges there

5. Summary and CTA

- Closing thoughts on the subject.
- Add CTA to the event at the end - a version of the below but with a clear call to action REGISTER TODAY. [See here example at the end of the blog](#)

6. Related content - this is the place where you will be linking to other articles you are not able to link to within the text. Please note you will need to add a link to this new blog into those articles as well. Wherever possible. A few you should include for now:

- <https://www.theretailbulletin.com/retail-events/digital-transformation-strategy-2022-1/> - can we also add on this page somewhere that you will be discussing *challenges and benefits of digital transformation in retail* (the italic here should be a link to this new blog)
- <https://www.theretailbulletin.com/general-merchandise/review-digital-transformation-strategy-part-three-25-11-2021/> - can we include keyword *challenges and benefits of digital transformation in retail* in here and again link to the new blog
- <https://www.theretailbulletin.com/general-merchandise/event-digital-transformation-strategy-part-iii-18-11-2021/> - can we include keyword *challenges and benefits of digital transformation in retail* in here and again link to the new blog
- <https://www.theretailbulletin.com/retail-events/digital-transformation-strategy-2022-3/> - can we also add on this page somewhere that you will be discussing *challenges and benefits of digital transformation in retail* (the italic here should be a link to this new blog)

External links:

Try to use reputable external links within the text. For example for the stats you are using choose a hard hitter in retail research.
