Parent's or Legal Guardian's Right to Know

August 2024

Dear Parents or Legal Guardians,

This letter is to inform you that your student will take districtwide and state-mandated tests this school year as reflected on the attached test calendar. Testing dates can also be found on the school calendar at enoriveracademy.org.

Per [16 N.C. Admin Code 06D .0307](#)—Test Administration in Public Schools, “(g) LEAs shall, at the beginning of each school year, provide information to students and parents or guardians advising them of the districtwide and State-mandated tests that students will be required to take during that school year. In addition, LEAs shall advise students and parents or guardians of the dates the tests will be administered and how the results from the tests will be used. Also, information provided to parents shall include whether the State Board of Education or the local board of education requires the test(s). (h) LEAs shall report scores resulting from the administration of State-mandated tests from the Annual Testing Program to students and parents or guardians no later than 30 days after the test is administered and along with available score interpretation information within 30 days from receipt of the scores and interpretive documentation from the NCDPI.”

[N.C. Admin. Code 06G .0315](#) requires all public school students in membership (i.e., enrolled in a school) in grades 3 through 8 and high school courses requiring an end-of-course assessment, to participate in the Annual Testing Program. North Carolina does not allow any student to opt out of required state testing. The only exceptions granted are for a limited number of students who meet certain eligibility requirements or have extenuating circumstances related to a significant medical emergency or condition and are unable to participate in a specific test administration.

[N.C. Admin Code 06D .0309](#) requires schools to “use results from all EOCs as a minimum of 20 percent of the student’s final grade for each respective course”. As such, a student’s grade for these courses and overall grade-point-average calculation may be negatively impacted by not taking the required end-of-course state tests.

Sincerely,

Eno River Academy Administration
