

Clubs Are Coming to Olympia!

Olympia Families,

It's time to sign up for clubs! Once again, we will offer clubs **during the school day**, once a month. Club offerings will be different depending upon which grade level your child(ren) is/are in. Every student in Kindergarten through 5th grade will participate in clubs, so please make sure to fill out the clubs slip so your student has a choice on which club they will attend.

Clubs will be held on Sept. 19, Oct. 24, Nov. 21, Jan. 16, Feb. 20, Mar. 20, and May 1 . You do not need to arrange for a different after school pick up since clubs will be held during the school day.

When choosing which clubs your student would like, please **rank your student's preferences**. I will do my best to accommodate those preferences.

Please have these preferences back to the school by September 12, 2025.

----- Please return the bottom portion of this form -----

Kindergarten Clubs

My student, _____, would like to participate in:
(Please rank your student's 1st, 2nd, and 3rd choices for clubs)

____ Little Artists

____ Kindness

____ Magic Builders

_____ Teacher

_____ Parent Phone Number

_____ Parent Signature

Teacher Use Only – Date/Time Stamp: _____

Little Artists Club - Let's make some art! We'll use our hands to create and explore with paint, clay, crayons, and more. We'll have fun making things and getting a little messy. This club is all about letting your imagination lead the way.

Kindness Club - This club is all about being a good friend and helping others. We'll read stories, play games, and do projects that teach us how to be kind to our classmates, our families, and the world around us. We'll learn how to share, listen, and show empathy.

Magical Builders Club - Get ready to use your imagination and build amazing things. We'll be using different tools like LEGOs, big blocks, and Brain Flakes to create castles, spaceships, and anything else you can dream up. This club is all about exploring, building, and making a little bit of magic with our hands.
