

COOLHOOVES' COMMISSION TERMS!

COMMISSIONS OPEN ON THE 1ST OF EVERY MONTH!

(WEEKENDS ARE OFF)

HOW DO I TAKE COMMISSIONS?

I open slots for commissions on the 1st of each month, and take all payments upfront, via paypal invoice.

My current turnaround time for art is around 90 days upon purchase, and you'll be sent the link which will be sent to you in the beginning of the next month. For example, if you bought a commission on the 20th of April, you'll receive the link with the current commission queue between May 1st-3rd!

Art progress for all of my pieces will be updated on my Trello, so you can also keep up with it to know when your piece is next in line, as I work on commission by **order of purchase** rather than complexity.

When I have idle time between working on commissions, I'll sketch out a bulk of commissions to save time, so you might get an earlier update in that case.

Once started, if feedback from the commissioner is quick and there aren't a lot of changes to be made, each piece can take from 1 to 5 days to be completed, sometimes being a little longer if the piece is fully rendered with 2+ characters.

If you have any questions, feel free to DM me on either Bluesky or Discord, both being @ coolhooves

SUBJECTS I *WILL* DRAW + WHAT I FOCUS ON:

- Furry (any species, though I'll charge an extra fee for complex characters)
- Humans
 - I lean more towards softer body shapes! Boys are completely fine, I'm just not good at drawing muscular people. Like, at all.
- NSFW art
 - Outside of ABDL I'm also open to drawing plenty of other kinks/fetishes, with a preference for plushophilia, watersports, hypno and medfet. Regular degular porny artworks and pinups are also welcome!
- SFW and/or non abdl art.
- ABDL/DDLG/Littlespace content
- Nudity
- Creatures that have smaller features such as fairies or some furry species **MUST** be of age to be drawn in NSFW situations.
- My focuses are fashion, femme/girlier subjects, anime and j-fashion inspired artwork! Those are the areas I'm most comfortable/creative with.
 - That also includes coming up with character designs (for reference sheets) if needed, special costumes like Magical girl and princessy outfits!! I'm also pretty good at sissy stuff and/or anything with plenty of frills.
- Chibis/moe inspired pieces! That also goes well for babyfur/smaller characters

SUBJECTS I *WILL NOT* DRAW:

- Cub porn
- Properties that belong to another artist without their permission (this also goes for oc's. If you'd like me to draw someone's character/sona you'll have to show me a screenshot of them giving you permission to do so.
- Cubs/child characters in soiled/wet diapers or in any sort of suggestive content.
- NSFW of underage characters. I'll also **NOT** age up characters for the purpose of porn/erotic art. If the character has a grown up/adult form later on in the series they're from, I'd be drawing that instead of a younger version.
- Hyper/inflation/weight gain (nothing against the kink/s itself, it's just a matter of 'I'm not good at drawing this/it's too out of my comfort zone')

SUBJECTS I'M *FLEXIBLE* WITH

- When it comes to humiliation, I'm mostly ok with stuff like bullying and lit humiliation, but extreme degradation and things like that are a no for me!

- Things that are out of my comfort zone such as armor and things with sharp angles in general are fine as long as you understand that there'll be a learning curve for me, so your piece might take longer to be finished, but I'll still update you with progress no problem!!
- Vore related pieces are fine in a macro/micro scenario, I don't do the big tummies nor the feral vore stuff!

(more things may be added eventually)

TERMS OF SERVICE

- You MUST be 18 or older to purchase a commission from me.
- My art style tends to change here and there, due to constantly practicing new techniques, so sometimes my pieces may look different from one another.
- About commission updates: I update my trello pretty frequently with the progress on all my commissions, which makes it easier to know when yours is next in line, but poking me to ask for updates every once in a while is okay too! Just don't ping me constantly if I haven't replied in a while. I *will* reply eventually, but sometimes I get busy with chores or I'm just sleeping!
- I reserve the right to decline a commission for any reason whatsoever.
- No refunds after the full sketch has been sent out.
- If you want to add more details than originally agreed upon, past the sketch phase, I reserve the right to charge an extra fee depending on how complicated the addition is.

- The customer may use the commission as long as it is for **personal use** only, with proper credit given.
 - What is considered personal use?
 - I.e: icons, banners, etc. as long as it **won't** result in financial gain.
 - Posting it somewhere else as long as it's non commercial and I'm credited as the artist.
 - What is considered commercial use?
 - Reproducing and selling the artwork.
 - Using the image **directly** or **indirectly** in a lucrative way.
 - When you receive profit in the medium where you're using it and/or as a way to get attention. (e.g.: Patreon, YouTube videos, business cards, etc.)
 - **Claiming complete ownership over the artwork** in any way, shape or form.
- If you want me to tag you as "anonymous", you must tell me this before the piece is finished.

PAYMENT

- All my commissions must be paid in full upfront.
- Payment requests shall be sent to you via **INVOICE** via Paypal
- All prices are in **USD**
