AGENDA

[Minutes from 1/24/24](#)

1. Intake Conferences

- a. Mr. Gearhart shared that there have been some requests to move intake parent/teacher conferences to September, after school has started. This idea wouldn't be considered until the 25-26 school year.
- b. Parent feedback and teacher feedback from the committee favored keeping them before school starts to allow students and parents the opportunity to meet teachers ahead of the school year.

2. District Calendar FY25

- a. Parent/Teacher Conference Dates
- b. Mrs. Nefzger shared the 24-25 district calendar. She pointed out that school will start for students on a Friday due to the state requirement of school not being able to start prior to Aug 23. She also noted that this year the timing for fall parent teacher conferences lands on election week or Halloween. For this reason we are trying something new. We are going to host parent/teacher conferences on a Tuesday/Wednesday instead of Tuesday/Thursday.

3. Eligibility Policy

- a. Mr. Miller shared
