Terms of Service for Forest Howl

Last Updated: November 4, 2026

1. Acceptance of Terms

By adding Forest Howl (“the Bot,” “we,” “us,” or “our”) to a Discord server, using any of its commands, or otherwise interacting with it, you agree to these Terms of Service (“Terms”). If you do not agree to these Terms, do not use the Bot.

These Terms apply to all users, including server owners, administrators, and regular members. Server owners are responsible for ensuring their members are aware of and comply with these Terms when the Bot is present on their server.

Forest Howl is a Discord application and is subject to Discord’s Terms of Service and Community Guidelines. Your use of the Bot must also comply with Discord’s rules.

2. Description of Service

Forest Howl is a Discord bot that provides various features and commands to servers that add it. The exact features available may change over time and may depend on the permissions granted by the server and the configuration chosen by server administrators.

We reserve the right to modify, suspend, or discontinue any part of the Bot at any time, with or without notice.

3. User Responsibilities

By using Forest Howl, you agree to:

- Use the Bot only for lawful purposes and in accordance with these Terms and Discord’s Terms of Service.
- Ensure that any data or content you submit through the Bot does not violate the rights of others.
- Keep your Discord account secure. You are responsible for all activity that occurs under your account when interacting with the Bot.
- Server owners and administrators are responsible for the proper configuration of the Bot and for the behavior of their members when using it.

4. Acceptable Use and Prohibited Conduct

You may not use Forest Howl to:

- Violate any applicable laws or regulations.
- Harass, abuse, threaten, or harm other users.

- Distribute spam, malware, phishing content, or illegal material.
- Exploit, reverse-engineer, or attempt to gain unauthorized access to the Bot's systems or other users' data.
- Use the Bot in a way that interferes with its normal operation or with Discord's services.
- Bypass or attempt to circumvent any rate limits, permission checks, or security measures.
- Use the Bot for commercial purposes that compete with or abuse the service without prior written permission.

Server administrators may configure the Bot for moderation or logging purposes. Users acknowledge that their messages and actions may be processed by the Bot when such features are enabled.

5. Intellectual Property

The Bot, its code, branding, commands, and related materials are owned by the developers of Forest Howl or its licensors. You may not copy, modify, distribute, or create derivative works based on the Bot without permission.

User-generated content (such as messages processed by the Bot) remains the property of the respective users, subject to Discord's terms and any rights granted by using the Bot.

6. Privacy

Your use of Forest Howl is also governed by our Privacy Policy. By using the Bot, you consent to the collection and use of information as described in the Privacy Policy.

7. Termination and Removal

- You may stop using the Bot at any time.
- Server owners may remove the Bot from their server at any time.
- We reserve the right to restrict, suspend, or terminate access to the Bot for any user or server that violates these Terms, Discord's Terms of Service, or applicable law, with or without prior notice.
- Upon termination, your right to use the Bot ends immediately. Provisions that by their nature should survive termination will remain in effect.

8. Disclaimers

Forest Howl is provided on an "as is" and "as available" basis. We make no warranties, express or implied, regarding the Bot's reliability, accuracy, availability, or fitness for a particular purpose.

We are not responsible for:

- Any data loss resulting from the use or removal of the Bot.

- Actions taken by server administrators or other users.
- Downtime, bugs, or changes to Discord's platform that affect the Bot.

9. Limitation of Liability

To the fullest extent permitted by law, the developers of Forest Howl shall not be liable for any indirect, incidental, special, consequential, or punitive damages, or any loss of profits or data, arising out of or related to your use of the Bot.

In no event shall our total liability exceed the amount you have paid us (if any) in the twelve months preceding the claim. Most users use the Bot free of charge.

10. Indentification

You agree to indemnify and hold harmless the developers of Forest Howl from any claims, damages, or expenses arising from your use of the Bot or your violation of these Terms.

11. Changes to These Terms

We may update these Terms from time to time. When we do, we will revise the "Last Updated" date at the top of this document. Continued use of the Bot after changes take effect constitutes your acceptance of the revised Terms. Significant changes will be communicated where reasonably possible.

12. Governing Law

These Terms shall be governed by the laws applicable in the jurisdiction of the Bot's developers, without regard to conflict of law principles. Any disputes shall be resolved in the appropriate courts of that jurisdiction, unless otherwise required by law.
