

Milton Eagles Wrestling

Rank One Athletic Clearance Instructions

All wrestlers must be fully cleared in Rank One before participating in practices, workouts, or competition.

Parents/guardians, please complete the following:

1. **Log in to Rank One.** Go to the [Rank One Parent Portal](#) and sign in or create a parent account.
2. **Connect your wrestler.** Add your student-athlete to your account and make sure they are associated with **Milton High School / Fulton County Schools**.
3. **Complete all required electronic forms.** Open your wrestler's forms and complete **every form listed for the 2026–2027 school year**. Both the parent/guardian and student should complete any signatures requested.
4. **Upload the current GHSA physical.** Make sure the entire required physical is uploaded, all necessary sections are completed, and the physician has signed and dated the appropriate pages. Current forms are available from the [Fulton County Schools Athletics Forms page](#).
5. **Complete insurance information and any additional required documents.** Check Rank One carefully for anything marked **Incomplete**, **Missing**, or requiring a signature.
6. **Check your wrestler's clearance status.** Uploading the documents does **not** automatically clear an athlete. The information must be reviewed and approved by the appropriate school athletic staff.

IMPORTANT

Your wrestler is NOT cleared to participate until Rank One shows that all required forms and physical information have been approved.

Please do not wait until the first practice to complete Rank One. Missing signatures, expired physicals, or incomplete documents can delay your wrestler's participation.
