Limitless Academy
2024-2025 Class List

Core Classes

Kindergarten -1st Grade

Bible

Ms. Rossy Hernandez
Young students will read about major events and men and women who did great things for God. They will participate in crafts, storytime and games that line up with their current Bible story. Students will learn what it means to be a Christian and how to walk with Jesus.

Language Arts

Ms. Alexis Ramirez
Students will be taught in a creative structured atmosphere. Students will work on letters, numbers, basic spelling words and vocabulary. Students will be encouraged to present on topics that interest them and participate in group discussions. We will also work on fun creative projects that will tie in with all the language arts strands.

Math

Ms. Rossy Hernandez
Materials Needed: Math U See Alpha student packet alpha
Math manipulatives integer-block-kit or something similar
Students will use Math-U-See as a foundation building a strong foundation for single-digit addition and subtraction. Kids will also participate in fun math games and songs.

1st-2nd Grade

Bible

Ms. Tirsha and Mr. Cody Thornbury
No additional materials needed, study bible will be provided

We have created a 3-year, 4-tier Bible curriculum. TIER ONE, YEAR ONE will be a simple overview of Genesis through Habakkuk in true chronological order. We will hit on all the major Bible stories, characters and themes, as well as adding in Psalms and Proverbs along the way. We will also include prayers from early church fathers and feasts of the old and new covenants. We will act out stories, fight bible battles and bring the Word to life! Mr. Zach and Ms. Vanessa will also join us for boys and girls discipleship groups.

**Year Two will study Zephaniah through Jude and Year Three will study Revelation into Church History.*

Language Arts

Materials Needed: Journal, folder with 2 pockets and books TBD

Welcome to ELA! Over the course of the school year, we will be diving into the beauty of the English language! Through spelling, vocabulary, writing, reading, and literature we will uncover more about God's design and desire for us to communicate with each other!

Math

Ms. Alexis Ramirez
Materials Needed: Math U See Beta student workbooks **beta-student-pack**
Math Manipulatives **integer-block-kit**
In this level students will confidently explore multiple digit addition and subtraction while mastering place value. Kids will also participate in fun games and songs.

3rd-4th Grade

Bible

Ms. Tirsha and Mr. Cody Thornbury
No additional materials needed, study bible will be provided

We have created a 3-year, 4-tier Bible curriculum. In TIER TWO, YEAR ONE we will be studying Genesis through Habakkuk in true chronological order! This second tier will add further detail to the major stories as well as adding in the lesser known and studied stories, characters and themes. We will also study Proverbs and discuss Psalms as we meet their authors. In addition, we will memorize prayers from early church fathers and celebrate feasts of the old and new covenants. We will act out stories, fight bible battles and bring the Word to life! Mr. Zach and Ms. Vanessa will also join us for boys and girls discipleship groups.

**Year Two will study Zephaniah through Jude and Year Three will study Revelation into Church History.*

Language Arts

Ms. Kristin Conway
Materials Needed:
Students will need a mini dictionary and the following literature books:
Squanto, Friend of the Pilgrims
What Was the Boston Tea Party?
If You Grew Up With George Washington
What Was the Lewis and Clark Expedition?
Who Was Abraham Lincoln?
Who Was Harriett Tubman?
What Was the Gold Rush?
What Was the Great Depression?
Who Was Amelia Earhart?
Jim Elliot- A Light For God

Welcome to 3rd/4th grade Language Arts!

This course will be taught in a fun and creative atmosphere! Students will be introduced to new vocabulary and spelling words, grammar, sentence structure, the 8 parts of speech, 5 parts of a complete sentence, punctuation, editing exercises, and diagramming sentences. Relaxing read-aloud times will utilize a variety of Bible verses, literature, and poetry. Students will also work on writing projects throughout the year. We will practice presentation and speaking skills in a warm and encouraging environment and through lighthearted group discussions. Movement and games will be incorporated to make Language Arts exciting and interactive!

Resources: I will be utilizing the Bible, American History-based children's literature, and poetry for our reading time. Grammar and writing will be based on principles from the Institute for Excellence in Writing and Our Mother Tongue.

Math

Materials Needed: Notebook
Teaching Textbooks (online subscription) is strongly suggested for this class connected to an ipad or computer with headphones. You may use any curriculum you feel is best for your student.
Welcome to Math! Over the course of the school year, we will be diving into the beauty of numbers and order! Through counting, adding, subtracting, multiplication, division, word problems, and much more we will uncover more about God's design for order!
Please understand this is an hour with a math tutor.

5th-6th Grade

Bible

Ms. Tirsha and Mr. Cody Thornbury
No additional materials needed, study bible will be provided

We have created a 3-year, 4-tier Bible curriculum. In TIER THREE, YEAR ONE we will be studying Genesis through Habakkuk in true chronological order, giving historical and cultural context to the stories and scriptures we know so well! In addition to studying the details of biblical history, we will dive deeper into hebrew thought and understanding. We will also study Proverbs and discuss Psalms as we meet their authors. In addition, we will memorize prayers from early church fathers and celebrate feasts of the old and new covenants. We will act out stories, fight bible battles and bring the Word to life! Mr. Zach and Ms. Vanessa will also join us for boys and girls discipleship groups.

**Year Two will study Zephaniah through Jude and Year Three will study Revelation into Church History.*

Language Arts

Books TBD
This amazing language arts program has two primary goals: making sure your child understands what he/she is reading and being able to communicate ideas clearly. Your students will be comprehending a wide range of written texts, from articles to poems. They will also learn to summarize what they have read and share it using supporting details, facts, and examples. We will read all styles of literature; i.e poetry, fiction, non-fiction, and dive into understanding characters and stories that tie into United States history. Students will learn how to write with the understanding of sentence structure, parts of speech, punctuation, spelling and new vocabulary words.

Math

Materials Needed: ipad or laptop for math lessons; teaching textbooks subscription or math curriculum you're using.

This class will run as a tutor hour. Kids will work independently on their own math lessons. The teacher will be available to help as needed. Parents are still required to keep track of students progress,

7th-8th Grade +

Bible

Ms. Tirsha and Mr. Cody Thornbury
No additional materials needed, study bible will be provided

We have created a 3-year, 4-tier Bible curriculum. In TIER THREE, YEAR ONE we will be studying Genesis through Habakkuk in true chronological order, giving historical and cultural context to the stories and scriptures we know so well! In addition to studying the details of biblical history, we will dive deeper into hebrew thought and understanding. We will also study Proverbs and discuss Psalms as we meet their authors. Mr. Zach and Ms. Vanessa will also join us for boys and girls discipleship groups.

**Year Two will study Zephaniah through Jude and Year Three will study Revelation into Church History.*

Language Arts

Ms. Regina Asmar
Materials Needed: 8 Tab dividers
Books:
Students will be taught in a creative structured atmosphere. Reading, writing, grammar, and public speaking will be instructed in innovating new ways. We will read all styles of literature; i.e poetry, fiction, non-fiction, and dive into understanding characters and stories that tie into United States history. Students will learn how to write with the understanding of sentence structure, parts of speech, punctuation, spelling and new vocabulary words. Students will learn how to present a topic/thesis, organize ideas and plan the layout of their writings. Be able to edit and add a bibliography. Debate, logic and reason will be introduced. Students will be encouraged to present on topics that interest them and participate in group discussions. We will also work on fun creative projects that will tie in all the language arts strands.

Math

Ms. Regina Asmar

Materials Needed: Ipad or laptop for math lessons; teaching textbooks subscription or math curriculum you're using.

This class will run as a tutor hour. Kids will work independently on their own math lessons. The teacher will be available to help as needed. Parents are still required to keep track of students progress,

Electives

Tuesday : 4th Period

Emotions

Ms. Summer Thurman
Grades K-2nd
Materials Needed: wide-rule notebook and two pocket folder
Welcome to Emotions! Over the course of the school year, we will learn all about our God given emotions, and handling them in a way to honor the Lord. We want students to be equipped to have helpful skills and biblical principals to process emotions and not stuff them down! Each emotion will be matched with a fruit of the spirit to help us see God's design in all of it!

Worship Dance

Ms. Alexis Ramirez
Grades K-8
Materials needed: Worship Dress for girls and tambourine (see links)

$11.99

$11.39

Purchase at: https://a.co/d/1GZ3dJ6
Purchase at: https://a.co/d/8XERUqp

This class is geared towards cultivating a heart of worship. Students will experience God's presence through movement, ribbon dancing and worship. This class is for students that want to go deeper in their walk with the Lord and build a community of worshippers.

Choir

Miss. Zoe
Graded 5th-8th
Class Cost :$10 and TBD showcase materials
Materials Needed: Journal/notebook, 2-pocket folder
Chorus class with Miss Zoë aims to build self-confidence in students as our young worshippers find their voices! Objectives include but are not limited to:
Learning the difference in singing techniques for solo singing and singing as a member of a group. Spirit-led songwriting, harmonizing, basic music theory, how to sight read music, and lessons on the history of music within the Christian faith and how music influences and shapes the world around us. The importance of worship. We also aim to have a showcase or performance once a semester. Chorus is a prerequisite for Worship Band.

Cooking

Ms. Regina Asmar
Grades K-3
Class Cost: $100
Materials Needed: Apron, 1 large tupperware, 1 small tupperware, flip spatula, baking spatula whisk, large serving spoon, mixing bowl and small personal cutting board. Also set below would be a great addition for students.

$15
Purchase at: https://a.co/d/deQ0EiD

The younger students will explore foods from all over the world. They will learn cooking techniques that their little hands can master. They will try new foods, explore different cultures and appreciate the joys of serving others.

Art Technique

Grades 4th-8th

Class Cost: $30

Materials needed: mixed medium art book

This class is for the passionate artist that wants to grow in art techniques. They will learn new skills using all different kinds of mediums. There will be follow along, step by step teaching as well as technique training which the students can then use to create their own masterpieces. Different artists and art history will be studied as well.

Tuesday - 5th Period

Emotions

Ms. Summer Thurman
Grades 3rd-5th
Materials Needed: wide-ruled notebook and 2-pocket folder
Welcome to Emotions! Over the course of the school year, we will learn all about our God given emotions, and handling them in a way to honor the Lord. We want students to be equipped to have helpful skills and biblical principals to process emotions and not stuff them down! Each emotion will be matched with a fruit of the spirit to help us see God's design in all of it!

Choir

Miss. Zoe Scileppi
Grades K-4th
Class Cost :$10 and TBD showcase materials
Materials Needed: Journal/notebook, 2-pocket folder
Chorus class with Miss Zoë aims to build self-confidence in students as our young worshippers find their voices! Objectives include but are not limited to:
Learning the difference in singing techniques for solo singing and singing as a member of a group. Spirit-led songwriting, harmonizing, basic music theory, how to sight read music, and lessons on the history of music within the Christian faith and how music influences and shapes the world around us. The importance of worship. We also aim to have a showcase or performance once a semester. Chorus is a prerequisite for Worship Band.

Band

Mr. Caleb Tucker
Grades 5th-8th
Class Cost: $25
In this course, we will be learning how to be a worshiper before ever touching an instrument or a microphone. Before any ability, talent, or gift, God sees the heart. Each class will consist of us learning a new aspect of what worship is, and applying it as we worship together, and lead chapel worship every Wednesday morning.
In our first semester, we will be reading through and discussing 'The Reset' by Jeremy Riddle. In second semester, we will be reading through and discussing 'The Way of the Worshipper' by Alicia Purdy. Both of these books highlight the importance of living in the priestly calling of a worshiper, returning to the heart of worship, and recognizing where the enemy will try to get in and divert our attention away from The One who is worthy of our praise.
*Each student will receive their own copy of these books to own, included in the class fee.
In addition to these two books, we will learn what the Bible says about worship, and we will also watch various messages and teachings from Bethel Music Worship School. Musically, we will learn how to play as a band, how to lead songs and sing background and how to prepare our hearts before ever stepping foot on a stage, playing an instrument, or singing into a microphone. We will also have a couple of field trips to attend local worship nights in Ventura County and Los Angeles County, giving the students an opportunity to apply what we're learning in a Spirit-filled, worshipful setting.
It is my absolute joy to equip these students in how to return to the heart of worship and become lifelong worshippers.

Cooking

Ms. Regina Asmar
Grades 4th-8th
Class Cost: $100
Materials Needed: Apron, 1 large tupperware, 1 small tupperware, flip spatula, baking spatula whisk, large serving spoon, mixing bowl paring knife with cover and chopping knife and small personal cutting board
Older students will explore foods from all over the United States. They will try new foods, explore different cultures from each of our unique 50 states and appreciate the joys of serving others. We will be using sharp tools and practicing advanced techniques. Students must follow directions and practice safety protocols. Cooks need to be mature and professional.

Prophetic Art

Grades K-8th
Class Cost: $30
Materials needed: Mixed medium art book and journal
Art can be an expression of worship. Prophetic art has been used by God to touch many hearts. In this class kids can express worship through their own unique talents. They will learn to listen to the Holy Spirit and partner with the best Creator of all. Art will be created using scriptures, emotions, visions, and stories as the foundation.

Wednesday - 4th Period

Dramatic Play

Ms. Summer Thurman

Grades K-4th

Class Cost: $25
Materials Needed: Journal , 2 pocket folder
Welcome to Dramatic Play! Over the course of the school year, we are going to learn about real life skills, professions, and amazing gifting and callings the Lord has placed on peoples life. Twice a month, we will create real life settings (grocery stores, vets etc) to allow the children to play and learn all about how to share, work together, and how life has so much to offer!

Wild Skills Workshop (on the Farm)

Mr. Cody Thornbury
Grades: K-8th
Class Cost: $30
Materials Needed: Work gloves
Wild Skills Workshop immerses students in outdoor and survival skills. While the class will mostly be held at Fermata Farm, the main goal will be learning bushcraft skills and participating in real-life adventures through survival scenarios. Through hands-on activities, students will learn to navigate and thrive in natural environments, build shelters, make fire and identify local plants. They will also care for farm animals, and explore the science and practice of growing their own food. This course fosters a deep connection to nature pointing students to God as creator.

Kid Ventures (Entrepreneurship)

Ms. Tirsha Thornbury
Grades: K-3rd
Class Cost: $20
Materials Needed: Portfolio (from link below, choose any color)

$15.19
Purchase at: https://a.co/d/0MfObNR
Welcome to Kid Ventures, where young minds turn big ideas into real-world success! This dynamic class empowers students to explore the exciting world of entrepreneurship by teaching them the fundamentals of starting and running their own business. Through hands-on activities, creative projects, and teamwork, students will learn how to identify opportunities, develop innovative products or services, and bring their ideas to life.

Student Leadership

Ms. Regina Asmar
Grades 5th-8th
Materials Needed: Weekly planner
It is time for the older students to take charge of their school! Student leadership will be for students who want to have a say in planning, sharing and executing ideas for the upcoming school year. They work on events, themed days and anything else they can imagine. It’s their time to shine and make this year amazing!

Wednesday - 5th Period

Dramatic Play

Ms. Summer Thurman

Grades K-4th

Class Cost: $25
Materials Needed: Journal , 2 pocket folder
Welcome to Dramatic Play! Over the course of the school year, we are going to learn about real life skills, professions, and amazing gifting and callings the Lord has placed on people's life. Twice a month, we will create real life settings (grocery stores, vets etc) to allow the children to play and learn all about how to share, work together, and how life has so much to offer!

Wild Skills Workshop (on the Farm)

Mr. Cody Thornbury
Grades: K-8th
Class Cost: $30
Materials Needed: Work gloves
Wild Skills Workshop immerses students in outdoor and survival skills. While the class will mostly be held at Fermata Farm, the main goal will be learning bushcraft skills and participating in real-life adventures through survival scenarios. Through hands-on activities, students will learn to navigate and thrive in natural environments, build shelters, make fire and identify local plants. Business Builders (Entrepreneurship)

Ms. Tirsha Thornbury
Grades: 4th-8th
Class Cost: $20
Materials Needed: Portfolio (from link below, choose any color)

$15.19
Purchase at: https://a.co/d/0MfObNR
Welcome to Business Builders, a class designed to spark the entrepreneurial spirit in young students! In this engaging course, students will embark on an exciting journey to learn the fundamentals of creating and managing a business. Through interactive lessons, creative projects, and team-based activities, students will discover how to transform their ideas into real-world ventures.

Boys S.T.E.A.M

Ms. Regina Asmar
Grades 3rd-8th
Class Cost $60
Materials needed: hammer, philips screwdriver, flathead, eyewear and gloves. May ask for specific household items as needed for projects.
Science, technology, engineering, art, mathematics. This class is geared to fun, discovery and wow moments. We'll explore how things work, problem solving and creating. No STEAM topic is off limits. Kids are expected to follow directions and practice safety. This is a no tolerance class for disrespect or misbehavior due to safety concerns.

Thursday - 4th Period

Conversational Spanish

Ms. Rossy Hernandez
Class Cost: $10
Materials Needed: TBA
This will be a great class for students who want to learn basic conversational Spanish. They will practice real life situations with classmates.

Readers Theater

Ms. Vanessa
Grades: 4th-8th
Class Cost: $40
Reader's Theater is a way to involve students in reading aloud. In reader's theater, students "perform" by reading scripts created from grade-level books or stories. Usually, they do so without costumes or props. Reader's theater is a strategy that combines reading practice and performing. Its goal is to enhance students' reading skills and confidence by having them practice reading with a purpose. Reader's theater gives students a real reason to read aloud.

Sports P.E.

Ms. Anne Marie Council
Grades K-3rd
There will be opportunities for students to experience different exercises and activities that give them a well-balanced connection between fitness and health. The goal of this program is to encourage students to explore various methods to ensure lifetime fitness and health.

“Physical exercise has some value, but spiritual exercise is valuable in every way, because it promises life both for the present and for the future. This is a true saying, to be completely accepted and believed.” I Timothy 4-10

Science

Ms. Summer Thurman
Grades K-2nd
Class Cost: $30
Materials Needed: Journal, two-pocket folder

Welcome to Science! Over the course of the school year, we will be diving into the beauty of Science and God’s Creation! God has created such a beautiful world, and we’re blessed to soak it in everyday! Students will gain an appreciation for creation and learn to be content and have gratitude for the world around us!

Arts & Crafts

Ms. Alexis Ramirez
Grades: K-3rd
Class Cost: $30
Join us in Bible-Based Arts and Crafts, where young hearts and hands come together to create and explore God's love through art! This class is designed for K-2nd grade students to engage with Bible stories in a fun and creative way. Each session will begin with a simple and meaningful bible story or encouragement, followed by an arts and crafts project that helps bring the story to life.

Thursday - 5th Period

Readers Theater

Ms. Vanessa
Grades: K-3rd
Class Cost: $40
Reader's Theater is a way to involve students in reading aloud. In reader's theater, students "perform" by reading scripts created from grade-level books or stories. Usually, they do so without costumes or props. Reader's theater is a strategy that combines reading practice and performing. Its goal is to enhance students' reading skills and confidence by having them practice reading with a purpose. Reader's theater gives students a real reason to read aloud.

Sports

Teacher TBA
Grades 3rd-8th
This class will be geared to students who want to get out and play. Students will participate in organized sports and drills. They will also work on team sportsmanship and on the field character development.

Science

Ms. Summer Thurman
Grades 3rd-5th
Class Cost: $30
Materials Needed: Journal, two-pocket folder

Welcome to Science! Over the course of the school year, we will be diving into the beauty of Science and God's Creation! God has created such a beautiful world, and we're blessed to soak it in everyday! Students will gain an appreciation for creation and learn to be content and have gratitude for the world around us!

Spanish

Ms. Alexis Ramires
Grades K-3rd
Workbook will be given to each student.
¡Hola Amigos! In this intro to Spanish, young students embark on a fun-filled journey to learn conversational Spanish! Designed for K-3rd graders, this interactive class focuses on building foundational Spanish language skills through engaging activities, worship songs, games, simple conversations, and memorizing bible verses

Science

Taydn Tucker
Grades 6th-8th
Class Cost: $30
Get ready to dive into the exciting world of science with Hands-On Science, a junior high class designed to spark curiosity and foster a deep understanding of the natural world! This interactive course emphasizes experiential learning, where students will engage in hands-on experiments and projects that bring scientific concepts to life.
