13. Sam -talk about shifts that need to be filled
14. Jamie - explain "tap to pay" as a payment method for both BBQ's C'Tire and Mann Motors
15. Jamie reiterates some of the BBQ high points: A) remind the families to join with another family to set up if that what works for you. B) You need to have a "runner" to get supplies if you're running low on product. C) **Use your own social media to tell family and friends to support you as you're running the BBQ's this day. This is why the BBQ's did so well last year as all your friends and family will come out to buy from you.** D) Always "UPSELL" asking them if they'd like a coke and some cheese on their burger/hotdog. E) Every dollar you spend on something that is frivolous is a dollar that your traveller will not have at the end of the day.
