Insurance

We urge you to purchase cancellation insurance & supplemental medical coverage (which covers Covid19 & pre-existing conditions). This is a smart way to safeguard against life's surprises. We purchase medical insurance for the entire group (as part of the cost of the trip) but this will cover only medical issues (including Covid-19) while in Israel. It will not cover anything outside of Israel or on the way to Israel, nor it will cover cancellations, luggage etc.

Please note: to receive maximum coverage, it is suggested to purchase within 21 days of your first payment.

We have made arrangements with Travel Insurance Center, a division of SMS ([Senior Market Sales](#)); members of UStIA ([United States Travel Insurance Association](#)). Worldwide travel insurance brokers headquartered in Omaha Nebraska with over 35 years experience. Coverage to all destinations.

Kindly note that we cannot accept responsibility for any losses or expenses which you or any member of your party may incur as a result of failure to secure adequate coverage.

Please note:

1. Unsure of your final costs? Not a problem. Insure now the amount you have paid for – and then after any future payments, policy can be amended.
2. Trip costs are all pre-paid expenses (e.g. airfare + land costs, etc.), no matter who the vendors are.
3. Travel dates are for the entire period away from home. Travel dates can also be revised up until departure.

4. Medical coverage is included in a comprehensive policy and covers unexpected medical expenses including those related to Coronavirus/Covid19.
1. After purchase, a “consulate letter” will be issued. This one page “consulate letter” summarizes the coverage & clearly states that Coronavirus/Covid19 medical expenses are covered.
4. It is in your interest to purchase a policy within **21 days of your first payment** thus receiving maximum coverage (e.g. **C.F.A.R.**, waiver for pre-existing conditions, bankruptcy insurance, supplier default, etc.)
