

## **Share your views on how to improve eye care services across the NHS?**

BAME Vision are pleased to be facilitating a webinar with Solving Together, to hear your views on how to make the eye care services, within the NHS better!

Join the Eye care Solving Together conversations by attending this webinar, where we would like to hear from patients, carers, professionals, and partners who can share ideas to improve services.

Your views matter and don't miss out on the opportunity to shape future plans!

Hosted by:

Bhavini Makwana – Chair and Founder of BAME Vision

Presented by:

Leigh Kendall, Programme Manager (Social Influence and Co-Production), NHS England

When: Monday 24<sup>th</sup> March 2025

Time: 7-8.30pm

Where: Online on Zoom

To register and receive the joining link, please email [info@bamevision.org](mailto:info@bamevision.org)

We look forward to you joining us for a great discussion on this important topic.

If you would like to share your views, but cannot join this webinar, please email [info@bamevision.org](mailto:info@bamevision.org) so that we can share further details on how you can still participate.
