

How to Assign & Collect the EBRPSS Digital Emergency Card

1. Watch the brief [informational video](#) before assigning the emergency card to your students.
2. Create the Kami Assignment for your parents and students. Attach the [Parent/Student Informational Video](#) and the [EBRPSS 2020-2021 Emergency Card](#).

Include the directions below.

EBR Families,

This year we are requesting that all EBRPSS emergency cards are completed digitally. Please watch the short informational video linked within the assignment and complete the attached emergency card. Please reach out if you have any questions or need additional support.

**If needed, provide follow-up support to parents.*

3. Once all emergency cards have been completed and turned in, share the assignment folder with your principal and/or designated personnel.
