

该文献收集主要服务目标

1. 最新医学/流行病学/疫情相关文献，也欢迎添加官方或自行翻译资源。
2. 1里面可以用于组内建模的文献
3. 各学科经典文献，用于跨学科协作

目前几大主要数据库已经公开Coronavirus相关文献

- WHO:
The editors of major scientific journals have agreed to share any papers about the new #coronavirus (2019-nCoV) with WHO before publication, with authors' consent. This is important to inform our assessment of the situation, our guidance to countries and actions.
- Elsevier
免费开放新型冠状病毒信息中心所有相关资源。
<https://www.elsevier.com/connect/coronavirus-information-center>
- Wiley
免费开放54篇与新型冠状病毒相关文献全文到4月份
<https://newsroom.wiley.com/press-release/all-corporate-news/wiley-opens-emergency-access-coronavirus-research-aid-relief-effort>
- Lancet 柳叶刀
相关文献免费获取
<https://www.thelancet.com/coronavirus>
- bioRxiv
未经发表的论文平台，因为没有审校流程，所以有最新的论文。免费。
<https://www.biorxiv.org/>
- CNKI和维普相关文献也免费获取
