

Privacy Policy for "My Seeing Eye" Mobile App

Data Collection: Clearly states that the app does not collect any personal information or data from users, ensuring transparency about data practices.

Use of Information: Clarifies that the app solely provides a floating screen feature and does not collect or store any user data, reaffirming the commitment to user privacy.

Data Security: Emphasizes the priority placed on the security of user information by affirming that no data is stored within the app.

Third-Party Services: States that the app does not use any third-party services for data collection or functionality, providing assurance about data handling practices.

Changes to Privacy Policy: Informs users about the possibility of updates or changes to the Privacy Policy, ensuring transparency and accountability in case of policy modifications.

Contact Information: Provides users with a means to reach out for questions or concerns regarding the Privacy Policy or app practices, fostering trust and communication.

Acknowledgment: By using the app, users acknowledge and agree to the terms of the Privacy Policy, establishing consent and understanding of privacy practices.

Contact Us If you have any questions or concerns about our Privacy Policy or the practices of this app, please contact us at [Contact Email Address].

By using the "My Seeing Eye" app, you acknowledge and agree to the terms of this Privacy Policy.
