

Are you interested in coaching a netball team next year?

You will work in pairs and, with support, be expected to:

- Run training sessions
- Lead your team on game nights

Requirements:

- Must be in Year 9 or 10 (2025)
- Must be committed to supporting your team
- Must have parental permission and have considered how this commitment fits with your other activities next year

Each coaching pair will be assigned an adult team manager to assist with parent communication and game-day support.

If this sounds like you, please put your name down along with your nominated coaching partner.

We will also be running a coaching session on:

Tuesday, 25 November, 3:30–4:30 pm at La Storta
