[see what you can discover](#)

why would anyone sit in front of a computer all day and night?, (unless they are working) when there is a fabulous world out there? especially, why would a sane person, living in vacation land, sit and write negative blogs? go outside, see the world. at least, if your that bored, check out the history of your currnet religion, if you have one, or explore the world religions. see what you can discover in the multitude of belief systems that are out there. i have an extensive background in world religions, one of my degrees is liberal arts so i took alot of phylosophy and psych classes. i ahve 162 college credits and i'm not too far from earning my masters degree in science. anythings is more interesting than your self. get a degree on line or go after something, have a life outside of computer cybullying. i promise you, it is fun!

[does this cause.....](#)

i should be asking a plastic surgeon this question, i'll be seeing one in august. , but, anyway, i was wondering does years of smoking cigarets cause your skin to look old? ( i already know that answere i am a registered respiratory therapist)

does years of collagen injections cause old , wrinkled skin? how about years of drug abuse??? or being cachetic and ematiated, would that make your skin sag???

does having previous facial surgeries make you look old? how about letting your hair go all gray, and not a pretty, nice, silver gray, just the yuck looking, "i don't take care of myself, pity me"

gray?? hey lucille, maybe you can show the magistrate how you let yourself go? maybe you can find something to distract him from the fact that you may have violated an abuse order of protection. maybe he will see right thru your "poor me. pity me, i am indegent cover?" does years of sunbathing cause old skin? how about melanoma and skin cancer? maybe you chose to look old or you would at least try to look better. maybe stress can cause old , sagging skin?? or just growing older????

[restraining order violation hearing, lucille still thinks](#)

I think lucille is still having the wrong idea about a hearing of abuse protection violation.

the magistrate has statements that the webster police have, i guess she really did break the order. is that why she deleted her posts i couldn't read? lucille still doesn't get it. she is the defendent. nothing will happen to me, i am the plaintiff. if it would have went her way, i would have been terminated from 2 jobs. but, again hubbard does not care because i am a perfect employee with the highest credentials in cardiopulmonary. maybe thats why i run the dept. alone? lucille better get her head straight, at least for the hearing day and be prepared for whats coming. like the wonderful john mellencamp song says, ' AND THE DAYS OF VANITY WENT ON FOREVER...' we make our own choices in life and then, must pay the consequences, good or bad. my life is good because i made the right choices.

## **Sunday, July 20, 2008**[perjury](#)

i have one question to ask my sister in court, lets see if she purgers herself and gets cuffed on the spot? did lucille call my previous employer, linda rudman? did lucille send a package to paula bigelow AFTER SHE RECEIVED THE SUMMONS??????

DID SHE HAVE RICH BERGERON CALL MY FAMILY MEMBER TO SAY, "WE ARE NOT GOING TO HONOR ARLENE'S RESTRAINING ORDER?" I HAVE STATEMENT AND WITNESSES COMING TO DISPROVE EVERY SINGLE WORD THAT COMES OUT OF LUCILLES FILTHY MOUTH(BUT, WELL VERSED FILTHY MOUTH) **I EAT THOSE ATTY'S FOR BREAKFAST. I HAVE CHUNKS OF WARREN HELLER IN MY STOOL. HE IS A PURGERER TOO. WE'LL SEE. I CAN NOT WAIT TO LUCILLE FAKING IN FRONT OF.....**

## **[200 years of the john mellencamp story](#)**

john mellencamp has several top hits from the 1980"s, his songs are so great! scarecrow in the rain was about his greatgrandfathers 400 acre corn and wheat farm. it hits you hard watching the video of the foreclosures in that time. check it out!!!! also a great tune!

## **[and the days of vanity went on forever.....](#)**

and she saw her days burn up like paper and fire. paper and fire is a cool john mellencamp song about the choices we make and the price we pay. from ecclesiastics. from his cd "the best i could do" the best of johm mellencamp, awesome cd!!

### [Board of Registry in Medicine](#)

Hey, Lucille, Why don't you make a complaint to the board about me? But, which state???? For them to bother with an investigation a patient has to be hurt by a health care worker. **In 23 years i have NEVER made any sort of error.** I have a perfect record or Sharon wouldn't let me run the cardiopulmonary dept, by myself. But knock your socks off. see ya in dudley with some friends you haven't seen in a while..... TIME TO PACK!!!!!!

### [VACATION STARTS TOMORROW](#)

YIPPEE, PAID VACATION STARTS TOMORROW, THATS THE BENEFIT WE GET FROM WORKING. ALONG WITH OTHER GREAT BENEFITS, HUBBARD HAS THE BEST!!! WELL, ANYWAY, I MIGHT BE HAVING TOO MUCH FUN TO CHECK MY WEBSITE, BUT FEEL FREE TO CONTINUE POSTING. WE'RE GOING TO SEE OUR 5.5 ACRES.

IT'S BEEN A LONG TIME COMING.

2 YEARS AGO I PAID 30 THOUS. FOR 5.5 ACRES WITH A VIEW OF THE MOUNTAINS. IT'S A DREAM LOT FOR A NICE HOME. I WAS HIRED AT ANDREWS COGEN VALLEY IN BELMONT TO DO PFT'S., BUT I WAS NAIVE AND GOT RIPPED OFF, MY UNCLE GOT ME A GREAT STTY. IN NH. WE WAITED FOR THE OWNERS TO MAKE GOOD, BUT

THAT DIDN'T HAPPEN SO MY ATTY. FORECLOSED ON THE LAND AND WE BOUGHT IT BACK WITH THE MONEY I ALREADY PAID. GOOD DEAL, 24 THOUS. FOR 5.5 ACRES WITH NOTHING BUT TREES AROUND IT!

I HAVE A NH MEDICAL LICENSE TOO, SO MAYBE LUCILLE CAN HAVE THAT TAKEN AWAY FROM ME TOO. GODD LUCK WITH ALL YOUR TROUBLE LUCILLE, YOU CREATED THEM. I BET YOU THOUGHT I WOULD LIE DOWN FOR YOUR CRAP, BUT, NOW EVEN YOUR FRIEND WRITER FOR TRUTH KNOWS I AIN'T GIVING UP, EVER!!! I PRAY, SOMEDAY YOU MIGHT DO SOMETHING POSITIVE WITH YOUR LIFE, LIKE WHEN YOU LOST THE HOUSE FROM DR. MCKERNAN'S CHILDREN AFTER YOU CONTESTED HIS WILL. GET YOUR OWN LIFE, STOP LIVING THRU OTHERS, IT'S MORE FUN, WHEN WE WORK AND CAN FEEL A SENSE OF PRODUCTIVITY AT THE END OF A DAY (OR EVENING) DID YOU **ACTUALLY THINK HUBBARD WOULD LISTEN TO A PSYCHO? OR LINDA RUDMAN FROM MILFORD? YOU HAD ELECTIVE SURGERY SO DEAL WITH IT KNOW. THERE A WORSE CASES AT HUBBARD!!!!** I DO NOT FEEL BAD FOR YOU ABOUT YOUR ELECTIVE FACE LIFT, BUT I FEEL BAD YOU HAVE THE WRONG IDEA ABOUT WHO YOU CAN TRUST. I RUN THE CARDIO DEPT. WHY DO THINK THAT IS? BECUASE THEY LIKE YOU MORE THAN ME? GET REAL, GET OFF THE COMPUTER FOR AN HOUR OR 2, WE THOUGHT YOU HAD NARCOLPESPY?????

ANYWAY, BYE, PACKING FOR VACATION AND SOME BUSINESS AT COOS COUNTY REGISTRY OF DEEDS. YIPEEE!!!!!!!!!! SEE YA IN COURT. MAY THE HONEST PERSON COME OUT SHINING>(ME)

### **LUCILLE DON'T PERGER YOURSELF**

LUCILLE SAIS SHE NEVER ASKED ME TO BE POWER OF ATTY., HOPEFULLY SHE WON'T SY THAT IN COURT, BECAUSE I HAVE THE PAPER IN HAND ALONG WITH "REAMS"OF OTHER STUFF. REMEMEBR ALL THAT CERTIFIED MAIL???????

Posted by arlene mulley at [8:23 AM](#) [0 comments](#)

Lucille writes: I more than remember the certified mail. I have copies of every letter sent to you. I never asked you or anyone else to be my **power** of attorney. You are DELUSIONAL. Shall I post the letters here with audio links to your harassing phone messages which made my letters necessary? The letters were also cc'd to out uncles.

## **FREEDOM OF SPEACH FOR ALL.....**

If lucille iacovelli can continue for 10 years to write websites and whatever else about dr. feldman and dr. eppley, we all can too. every person in this incredible US of A has FREEDOM OF SPEACH! ask the media. If lucille started something, she has freedom of speach to keep going so can i, and intend to post every last detail of her life right here.

and, by the way, MY MSN DEFUNK WEBSITES WERE TAKEN DOWN BECUASE MY FIANCEE ASKED ME TO, WITH JUST A SIMPLE CLICK. TOO BAD LUCILLE DIDN'T HAVE THE RESTRAINT TO QUIT IT WITH HUBBARD AFTER THE SUMMONS SHE GOT. SHE IS WELL VERSED, I WOULD BE TOO IF I WERE ON AMPHETAMINES MY WHOLE LIFE.

## **to writer for truth, you are right again.**

Dear writerforthruth,

If you are Rich, please let me appologize to you again. I have that eloquent e-mail you wrote to me, it touched me. lucille was a very kind person, as you said, "through all that she manages to drive over to my house every now abd then to drop off home baked goods and other gifts." she was always kind in that way to me too. thank you for telling me, "She constanly speaks about how much she misses you and would like to see you again." I appologize for not beleiving you. I thought she hated me after setting up my computer in the first home i bought and i proved she was reading all i did on that computer. then after all those legal papers she sent me wanting to sign saying in my oppinion her disability is due to a botched face lift., i couldn't write that until i interpreted all her pulmonary tests. i truley do not belive there is a problem with her airway, and i can not lie and say there is, no matter how hard she tries to get me fired. plus, i haven't examined her. the last time we saw her she was driving behind us in douglas. i haven't interacted with her since we went to auntie helens son's home in milford.

i am sorry i bragged so much about making all that money flipping my first home and being able to afford this 400 thous. dollar home. not to go off the subject, but i just had my home appraise for 420, so the market is not that bad. once i get the offer i want i'm starting to build on my newly aquire 5.5 acres in dalton NH. One of my "bevy" of atty. foreclosed so i got the land cheap.

After what lucille has currently done at my job at hubbard is unforgivable. it was unforgivable at milford hospital, but, i knew i was resogning from there. i resigned in lu of termination so i didn't lie on that affidavitt. the people i worked with were afraid because i had the highest credential there too and i would report them when i saw them hurting patients. i have so many letters of recommendation from milford hospital.

but , about my sister, again you are right. who will what and what is it we will win, certainly not the lottery. i am AFRAID of lucille, OBVIOUSLY everyone can see why. she is mentally unstable, do you think, when she spoke with those 2 nursing supervisors, that THEY couldn't tell she was OFF?

The only reason I have to pursue this case is because the MGL"S say "i have a right to work without FEAR!" and i am in FEAR of lucille. so i want her to have a court ordered psych. eval. so she can take the meds she needs to be normal and stop harassing all these medical folks. thanks for writing. If this is rich, i don't mind you calling me, i don't have a restraining order on you, and i know you are smart enough not to give me any messages from lucille, but i agree to

Speak with you, IF I AM NOT RECORDED, LIKE WE KNOW YOU BOTH DO TO EVERY CALL COMING IN.

Posted by arlene mulley at [7:27 AM](#) [0 comments](#)

Lucille writes: Arlene, your "professional opinion" is totally worthless to me. I have a pulmonologist's report, or did you forget that? You are not an MD and are NOT qualified to assess positional airway obstruction.

Here is also your admission of PERJURY to obtain the restraining order. The visit to our cousin Michael's house was in June 2000. I have not seen you NOR HAVE YOU SEEN ME SINCE 2001. I have been in Douglas exactly twice in my life. Once in June 2000 and once in 2001 when I visited you to set up your computer, which is the last time we saw each other. I have not been able to drive off Cape since October 2004. If you saw me "following you in Douglas" you were hallucinating... or LYING.

### poor lucille, still trying to fight her way out of a paper bag

poor, stupid lucille still believes a violation of restraining order has something to do with my job and email which i sent. it about lucille violating the order of restraint, pretty simple, unless your the defendant grasping at straws!

she must have forgotten about all that certified mail she sent me a while back, which i have. i have one letter asking me to be her power of atty., poor steve hanlon did it because my uncle and i refused. lucille then sued him saying he kept her money. thought she was indigent? other letters state she wanted me to state that i believed her DISABILITY was directly caused by the botched face lift, the ELECTIVE surgery for which she signed INFORMED CONSENT FORM. lucille is very knowlegable about her surgery. look at losingface, she has a diagram showing what the SURGEON did wrong. she must really know about how that kind of surgery is performed. so how can she claim she didn't understand the INFORMED CONSENT FORM?

PERHAPS THE DEBT COLLECTION LAWSUIT LUCILLE FILED AGAINST STEVE HANLON WAS MEANT FOR ME. IT WAS SO OBVIOUSLY PLANNED AHEAD. HE SHOULD HAVE REFUSED LIKE MYSELF AND OUR UNCLE. WE KNOW HER WELL! OH WELL.

Lucille writes: Arlene, you have a serious problem discerning reality from your self serving delusions. I have cold, hard evidence to prove your statements are fabrications. Both our uncles know you are a liar. Even Steve Hanlon (who settled his debt with me years ago) knows you are mentally unstable.

### **RICH BERGERON/NEUROPSYCHIATRIST**

I WANT TO THANK RICH BERGERON FOR HIS DIAGNOSES. HE MUST BE A PSYCHIATRIST, SINCE THEY ARE THE ONLY DOC'S WHO CAN DX SCHIZOPHRENIA(DID I SPELL IT RIGHT, GOOD GRIEF!" ) WHO KNEW RICH BERGERON IS THE JACK OF ALL TRADES, LAWYER, PSYCHIATRIST,PI, AND THE MASTER OF NONE! WHY DID RICH BERGERON E-MAIL ME LAST NIGHT WITH A ULTIMATUM? HE BEGGED ME TO REMOVE MY POST ABOUT DINING OUT WITH MY FIANCEE.? DO YOU THINK, MAYBE I AM ON THE RIGHT TRACK? NOW I DON'T PROFESS TO BE AN ACTUAL LISENCED PI, BUT AFTER 10 YEARS OF BEING FOLLOWED FOR A WORKERS COMP. CASE, I CERTAINLY KNOW THE ROPES!!!! (THATS AN UNDERSTATEMENT) I INVITE RICH BERGERON TO SUE ME AS HE THREATENED TO DO. I'VE WON IN COURT AGAINST OTHER ATTY. AND THE ATTY. LOST. I ALSO INVITE HIM TO COURT WHERE HE WILL EXPOSE HIMSELF MORE, SINCE SOME LOCAL TV STATIONS WILL BE THERE. IF HE WANTS TO SHOW HIS FACE, GOOG LUCK WITH THAT, RICH BERGERON. I'LL BE AWAITING MY SUMMONS, AND MY UNKS AND I WILL BE HAPPY TO HEAR YOUR CASE. SEE YA SOON!

### **PRIVATE INVESTIGATORS WORK IN MYSTERIOUS WAYS**

PI'S DO NOT HAVE JUST ONE PERSON FOLLOW THE SUBJECT. THEY HAVE A NETWORK OF PI'S WORKING TOGETHER ALL AROUND THE COUNTRY. THERE MAY BE 100 DIFFERENT CARS OR PEOPLE WALKING AROUND THE SUBJECT, WHO ARE TOTALLY UNAWARE OF WHAT IS GOING ON. IF YOU SUBMITT ANY SORT OF CLAIM TO AN INS. CO. OR IF YOU ARE PARTY TO A CRIMINAL OR CIVIL LAWSUIT, YOU MAY BE THE SUBJECT OF A INVESTIGATION. MOST OF THEIR TACTICS ARE TO TRY TO INTIMIDATE THE SUBJECT, OR BY ROUGH SHADOWING THEM AS THEY ARE WALKING. LIKE JUST FOR AN EXAMPLE, YOU PUT IN A CLAIM STATING YOU HURT YOUR ARM AT WORK. THE PI WILL WALK RIGHT UP TO YOU AND SHOVE THE ARM YOU INJURED. THEN THEY GO MAKE AN ACTIVITY REPORT FOR THE INS. COMPANY. WE ALL KNOW LEGITAMATE CLAIMS ARE DENIED EVERYDAY, BUT DID YOU KNOW THE PI'S ARE GETTING PAID TO CATCH YOU WITH A PHOTO, JUST SO YOUR CLAIM CAN BE DENIED. OBVIOUSLY PI'S DO LIKE TO BE EXPOSED. THEY PREFFER TO HIDE LIKE COWARDS BECAUSE SOME CLAIMANTS GET MAD AND HARM THE PI. THE IMPORTANT PART IS TO FIND OUT WHERE THE PI IS LOCATED WHO IS ORDERING THE OTHERS TO STALK AND HARSS THE SUBJECT. THEY EVEN BRING CHILDREN WITH THEM. THEY HAVE NO SCRUPLES AND WILL TRY TO BEFRIEND THE SUBJECT, THEN TAKE A PHOTO., THATS CALLED DUPING THE SUBJECT. RICH BERGERON CLAIMS HIS FATHER WAS THE POLICE CHIEF IN WEBSTER, MA. AND IF YOU GOOGLE HIS NAME YOU WILL EVENTAULLY FIND HIS PI BADGE ON HIS WEBSITE. HE LIVES ON CAPE COD AND I WAS HARASSED JUST LAST NIGHT. IF YOU READ MY PREVIOUS POST, DOESN'T IT MAKE YOU WONDER, HOW THIS GUY I NEVER SAW BEFORE IN MY LIFE KNEW WHAT HOSPITAL I WORK IN? HE WAS NOT A PATIENT OR HE WOULD HAVE SAID SO. I TREAT MY PATIENTS WITH CARE AND COMPASSION SO THEY REMEMBER ME OUTSIDE OF THE HOSPITAL. I WORK AT HUBBARD REGIONAL HOSPITAL IN WEBSTER. WE ARE ABLE TO GIVE EXCELENT CARE BECAUSE IT IS ONLY A 22 BED SUB-ACUTE CARE FACILITY. MY

SISTER'S E-MAIL AND CALLS TO HUBBARD'S CEO AND DIRECTOR OF PATIENT CARE SERVICES, AFTER SHE RECEIVED A SUMMONS FOR VIOLATING THE ABUSE ORDER OF RESTRAINT DIDN'T GET ME FIRED LIKE SHE HAD HOPED FOR., SO NOW SHE HAS RECRUITED HER X-MARINE FRIEND AND MARTIAL ARTS, PI TO HARASS ME VIA PROXY.

IF HE MESSES WITH MY JOB OR ME MY ATTY. IS READY TO SLAP A CIVIL SUIT ON HIM, LET RICH BERGERON REPRESENT HIMSELF AGAINST MY PITBULL ATTY. GO FOR IT RICH BERGERON, I SAY, DO WHATEVER YOU THINK YOU CAN GET AWAY WITH. REMEMBER E-MAILING THAT TO ME, RICH? I HAVE IT FOR THE JUDGE. YOU THE IDIOT. MY SISTER IS GOING TO NEED YOU IN COURT., AND IF YOU MESS WITH ME, GOOD LUCK.

### **RICH BERGERON, PROLIFIC WRITETER/PI**

WOW, Tonight was a trip. My fiancée and I went out for dinner and was confronted by "I'm not sure what" no, not a crossdresser or swinger". I was eating when a fellow diner, sitting behind my fiancée and I, turned to speak. What he said bothered me, so I promptly drove to the Webster Police dept., where we were only a half a mile from there. Empire Wok is a great place for Chinese food! It's in Webster, Mass., near the police dept. Anyway, this fellow said, "good luck at Hubbard hospital" not that threatening, right? It could have been a patient of mine? right? wrong! As I drove to the Webster Police dept, afraid and alone, I wondered, WHO IS THIS GUY????? His tone was disturbing, like he was intoxicated, but, he had a child with him, so I hope it was just an intimidating tone of voice. After telling my story to the police officer who is coming to court with me on August 7th about the RESTRAINING ORDER VIOLATION, that Lucille Iacovelli violated when she sent the director of patient care services,, e-mail I sent her, many in confidence, The officer came back and told me, "I am being intimidated!" We will talk about this in court.

Lucille writes: First you say you and your fiancée are together having dinner, then you claim you drove to the police dept "afraid and alone"? Which is it? Will the Webster PD have a record of your "complaint"? Doubtful.

### **ALMITRA'S COWARDICE**

If there are any doubts as to whether or not Lucille Iacovelli verbally abuses health

care

workers, just look at her website losing face. Almitra must be a nurse who "oh my god"

disagreed with Lucille about something or another. Lucille doesn't like that! good thing she has her little errand boy Rich Bergeron to stick up for her when she's at a loss for words. Check

out what he wrote, he is writerfortruth. Or AKA "i can harass and cyberbully as long I follow those FREEDOM OF SPEACH LAWS" LETS ALL HIDE BEHIND THAT ONE!!!!

### CAST A LIGHT.....

LUCILLE IACOVELLI'S ONLY REASON FOR SENDING MY EMPLOYER A PACKET OF 90 PAGE E-MAILS WAS TO TRY AND CAST ME IN A BAD LIGHT. WELL, IT DIDN'T WORK AND NOW LUCILLE MUST PAY THE PRICE. SHE MAY AS WELL COME TO COURT ALREADY WEARING BRACELETS. SHE'LL BE LEAVING IN THEM. OH YEH, IT'S CALLED DEFAMATION. THATS ILLEGAL IN SOME STATES, LIKE TAPE RECORDING COURT PROCEEDINGS TO USE THAT AGAINST SOMEBODY..... TO CAST THEM IN A BAD LIGHT... SOUNDS LIKE SOMETHING A PRIVATE INVESTIGATOR WOULD TRY TO GET AWAY WITH. I HONESTLY CAN'T SAY WHO IS THE MOST SCUMBAGISH....LUCILLE OR THE PI'S. LOL

Lucille writes: I never sent your employer any packet of 90 page e-mails. That must have been what the IT Director pulled up from the hospital computer reflecting all the email and websites you generated from Hubbard's computers. They fired you when they learned the truth, didn't they?

### does my iphone have the same ip address

I guess that was Lucille's "BEEF" with me, using the interenet while working. oooooo, Thats the day I got the raise! When Paula told me this 90 pages is crap and wasn't even going to read it. We both agreed I was working those days that Lucille said I was on the internet, but paula said it wasn't long, a few seconds. JUST ENOUGH TIME FOR ME TO PRINT OUT EVIL SISTER AND MALICIOUS SISTER, So I asked if I could give up my internet priveledges permently and she said yes. Lucille thought she could get me fired by reporting internet use to the "higher up", who hung up on her craziness. but, enough about Lucille, however she could ansvere my question.

Does my new IPHONE have an IP address??? I wouldn't know due my lack of education.

### IN THE LONG RUN

WHO CAN GO THE DISTANCE, IT'S A LONG RUN  
I CAN BEND, BUT I AIN'T BREAKIN

DON'T YOU JUST LOVE OLD EAGLES SONGS?  
WHY DOES LUCILLE SPEND SO MUCH TIME DEFAMING MEDICAL PEOPLE,  
BECAUSE SHE CAN'T FOOL THEM OR THE LAW!!!!  
I'VE BEEN STUDYING HARD TO TAKE THE PULMONARY FUNCTION TECHNOLOGIST EXAM.  
IT IS ALL NEW TO ME. I WORKED WITH CRITICAL CARE PATIENTS, SO OUTPATIENTS ARE  
FUN. THEY ACTUALLY TALK, NO TUBE IN THEIR THROAT.  
SO I WAS STUDYING AND IN MY LECTURE TAPES AND STUDY GUIDE THERE ARE  
FORMULAS TO CALCULATE IF THE PATIENT IS NOT GIVING IT THEIR ALL(GOOD EFFORT) I  
NEVER KNEW CALCULATIONS EXISTED LIKE THAT. WE CAN TELL IF A PATIENT IS FAKING  
WITH TAKING THEIR OTHER VALUES FROM PFT TESTS AND  
CALCULATE OUT IF THEY ARE FAKING AND NOT GIVING A GOOD EFFORT. THEY  
DO THIS TEST FOR DISABILITY EVALUATION. SOME POOR FOLK ACTUALLY CAN'T  
BREATHE. THAT'S NOTHING TO MESS AROUND WITH, SINCE, IF YOU ARE NOT BREATHING  
CORRECTLY ALL THE TIME, YOU CAN HAVE OTHER PROBLEMS STEM FROM THAT., BUT  
NOT IF YOU'RE FAKING!!!! WHERE ARE LUCILLES OTHER TESTS THAT SHOW HER  
"BREATHING PROBLEM" AFFECTED ANOTHER FUNCTION OF HER  
BODY. I SAW HER PFT, AND CALCULATED IT OUT, SHE IS FAKING, SHE HAS NO  
SHORTNESS OF BREATH, NOTHING WRONG WITH HER BREATHING. THE DR. WHO SAID  
SHE NEEDED A TRACHE KNOWS SHE IS NUTS. WHY DIDN'T SHE GET THE TRACHEOSTOMY  
IF SHE REALLY COULDN'T BREATHE???? IT'S A SCARY THING ,NOT BEING ABLE TO  
BREATHE, YOU WOULD NOT BE ON THE COMPUTER , YOU'D BE IN THE PULMONOLOGIST  
OFFICE. OH YEH, THE BEST ONE FROM MASS. GENERAL HOSPITAL SAID OPEN AIRWAY.  
LUCILLE WHY DO YOU THINK YOU ARE GOING TO DIE FROM THIS? YOU DON'T KNOW  
ENOUGH ABOUT THE COMPLICATED AIRWAY AS YOU THINK. YOU ARE NOT A NURSE, RRT  
OR PHYSICIAN, YOU ARE NOTHING BUT A FRAUD!!  
WHO CAN GO THE DISTANCE,..... WITHOUT BREATHING???? WHAT A JOKE!!!!!!

Lucille writes: My pulmonologist would call YOU the "nutter" Arlene. your own words  
are enough to make any LEGITIMATE DOCTOR cringe. If I were to read some of the  
things you wrote and did not know you, I would run the other way if I were one of  
your patients. Your own words speak volumes regarding your mental status.  
You undermine your own credibility every time you try to destroy mine. You cannot

change REALITY AND FACT to suit your own twisted agenda. I have every single word you posted online and sent to me in email.. including ALL the tracking verification. You cannot DENY what you wrote, nor can you CHANGE anything I wrote to you. You cannot undo the damage your filthy, malicious hatred and abuse have done to me. The only way EVIL people like you ever relate to the horrendous injury they inflict is if and when they become victimized by someone equally as malevolent. You have turned me into the kind of person who hopes you will one day be on the receiving end of your brand of malice.
