Information

1. **Illness/Change of Plans:** Please stay home if you are sick. If you are not able to attend your appointment due to illness or other reason, that is just fine. There is no need to notify us. If you are unable to attend the vaccine clinic, [click here](#) to schedule a vaccine at another local clinic.
2. **Arrival Time:** Please arrive no earlier than 5 minutes before your appointment time. This will help the clinic move faster and make parking easier.
3. **What To Bring/Dress:** There is no privacy in the vaccine area, so we recommend you wear a short-sleeved shirt, and bring a jacket or sweatshirt for warmth, as the temperature in the school can fluctuate. Your time in the clinic will be about 30 minutes, so you may want to bring something to keep busy.
