

## Make a Prediction

will: uncertain prediction, no evidence

going to: more certain prediction, based on evidence

I think **it's going to** rain. evidence: cloudy sky.

Maybe it'**ll** rain. evidence: no

The Wildcats are going to win. evidence: high score for the Wildcats

Maybe the home team will win. evidence: no

Fact:

The sun will rise from the east.

My water will turn to ice below 0 degrees.
