

Wing Women Trailer Transcript

(Radio beeping)

Announcer: Incoming message coming from the 588

Kevin/GM: Good morning recruits, welcome to hell

Tati: This is basic training, no one is supposed to die!!

Announcer: Wing Women is a semi-historical actual play podcast

Kevin/GM: Have you pissed anyone off recently?

Dimi: No one I can think of as I run through the bulleted, index list of people we've pissed off in the last couple of days.

Announcer: They endure discrimination from their male counterparts

Kevin/GM: All of your beds have been carried out of the nurses' station and placed in the middle of the jogging track.

Rita: Hmmmm, I don't think it was Ivan, he's weak

Everyone: (Laughs, Wheezes)

Announcer: Against this bitter setting our four Motley heroines gain the chance to experience queer joy, gender euphoria and equality for the first and perhaps the only time in their lives.

Nino: How obvious am I being?

Dimi: See, I kinda always thought that there is a level to some of us in this barracks that's...visible.

Kevin/DM: Have you been using the word shenanigans?

Nino:I've been experimenting

Everyone: (Gay wheezing)

Announcer: Until the next mission, this is us, signing off.
