

K-4: 6

5-8: 5

9-12: 8

HUB: 22

We currently have multiple students transitioning back to Goza and the high school. Their progress meeting their goals last semester allowed them the opportunity to transition back with their peers in the general ed setting.

The ALE is gearing up for new PBLs that all grade levels will participate in. We will document and invite others to participate and see our students' hard work!
