

Dear Parent/Guardian,

Our students now have access to an exciting new reading service available through Sora, the student reading app, which provides free 24/7 access to eBooks and audiobooks. What better way to engage your student's mind than through reading?

The **Sora Sweet Reads** program will offer a collection of Juvenile and Young Adult titles that will be prominently displayed in Sora for quick and easy unlimited access. You can explore the title offerings and learn more about the program here:

How does it work?

Sora provides the quickest and easiest way to get started with digital titles from our school. Students can simply log in using their school Google log in and instantly access hundreds of ebooks and audiobooks on virtually any device. Get started today at <https://soraapp.com> or download the free Sora app for Android or iOS. For easy access, our school's setup code is **susdor**.
