IHE Connectathon 2023 – TEFCA Facilitated FHIR Implementation Guide Projectathon
Target Audience: Candidate QHINs, Payers, EHR Vendors, HIT Developers, Patient/Consumer Access Apps (IAS Providers), etc.

This Projectathon track will be convened by the RCE in collaboration with IHE USA, to inform the TEFCA Facilitated FHIR IG. Dynamic Registration with UDAP will be the focus for this testing event, along with other Patient Discovery, Authentication and Authorization use cases/workflows.

TEFCA Facilitated FHIR Implementation Guide Draft 2:
