GEAR UP	Tutoring: In the first 3 weeks of February, we provided 56 walk-in tutoring sessions (26 students served). In addition to providing push-in tutors for the Pre-Algebra classes at SMS, and Algebra and AVID classes at SHS (134 students served). Credit Recovery: We currently have 14 students enrolled in our Project Based Learning Credit Recovery Biology course. We also provided walk-in tutoring for students needing help with credit-recovery Edgenuity classes. College Preparation: We had 18 students attend our scholarship workshop on 2/2 and are continuing to help students complete scholarships and college applications. On 2/28 we are taking students to tour UNM and experience LoboDay. In addition, students will also tour the UNM Health and Science Center that afternoon to talk with healthcare professionals about career opportunities. Career Preparation: We are working with Ms. Etscorn to have students create resumes in the 11th grade English class, and we are hosting a resume building workshop on 3/2. On 3/7 we are hosting a College & Career Fair and organizing a "Mock IT Till You Rock It" event to help students practice their interview skills. Student Leadership: Our student leadership club is currently reading through the "The 7 Habits of Highly Effective Teens". They are also creating a video to help welcome the 8th grade class for their middle school to high school transition. In addition they are planning for "Earth Week" in April where they will create different activities with a focus on community service and mental health. Professional Development: We sent two math teachers to TI calculator training in Santa Fe in January. We sent one staff to the TI3 International Conference in Dallas for STEM training and two staff to the NCCEP Capacity Conference, with a focus on how to best engage families.
