Navigators: Mission Control

 SOAR!	Create an interactive space themed fact file about the planets and space travel.	Imagine you live in the year 3022 what will the world look like? What will space travel be like. Write a report explaining what life is like in the year 3022.	?
 GLIDE!	• Create a new mnemonic that will help others in the class remember the names of the planets and their order from the sun.	• You are going to meet some aliens visiting from Planet Zorbitron. What 10 things would you give them to take back as gifts? Draw them in a gift box. Explain why you have chosen the items.	• Research and write a biography on an astronaut of your choice.
 PADDLE!	• Bake some space-themed biscuits.	• Write a poem about one of the planets	• Use scratch to make an interactive space themed animation. https://scratch.mit.edu/
