Kid/Youth programs (Y/N):	Y
Additional Language:	N
Social Media/Website(optional):	N
Video example (optional):	N
Meet & Greet (Y/N)*(optional):	Just email me
Recommended especially virtual sensei	

I have been studying the Art of Ikebana for 15 years and have been a teacher in the Sogetsu School for nine years.

I love sharing my passion for this amazing art form and helping foster the creativity it inspires.

I hold private classes and classes for small groups weekly. I use the textbooks provided by Sogetsu headquarters for instruction and welcome new students.
