

Directions:

On the next page, complete the form to indicate the sessions you attended at the 2024 North Carolina Council of Teachers of Mathematics Annual Conference. The conference session and details can be accessed at <https://2024ncctm.sched.com/>.

Once you have completed the form and calculated your CEUs, you may use this information to fill out the Certificate of Completion on the third page of this document. To insert your name, date(s) of attendance, CEUs, and your Employee ID number, double click on the **purple text**, highlight it, and type your information.

<[Click here](#)> to make a copy of this document. This document will be stored in your Google Drive with the title, *"Copy of NCCTM 2024 - Certificate of Completion & CEU Form"* unless you modify the name of the document.

Please consider completing [this feedback form](#) around your conference experience. And don't forget you can use [Sched](#) to give feedback on particular sessions.
