Student Leadership Update: Natalie

- Working on a student newsletter, recapping the last few months and listing upcoming dates for students.
- Hina will send a digital copy of Chipotle fliers to Natalie to be passed out to students on campus and to Mrs Wilford for distribution through leadership. Natalie will work with Brant to get it onto google classroom.

Treasurer's Update:

- Financials: available to review

Old Business:

- Ski Swap: December 13. Dan has started marketing (WP weekly, digital publications, social media), Tahoe area ski passes for raffle
- See's Candy: Brant will send out a See's Candy email from his email account to augment the earlier email from Wolf Tones.
- Silent auction items: 49er tickets already donated, Hina requesting other parents to donate or identify potential donators, student leadership council can go solicit donations from local businesses (but they first need the WT solicitation letter), Brant suggested we start a spreadsheet of businesses so we don't double up requests.

- Parent social: new date needed (possibly 11/11), Aracelys; also offered to host small ensemble to play at the restaurant.
- Band N'Roses; Safeway will donate the roses to the program for the students to sell for Valentine's Day fundraiser (question if chorus may be doing something similar). Delivery would likely take place during lunch.
- Fall Pops update: gross was over \$1000, sales and donations

New Business:

- Dance school request to use the auditorium
- Aracely's offer to host small ensemble at the restaurant
