3) Paid items can be used in commissions or commercial use,credit is mandatory.

3a) Free items can't be used in commissions unless the client is fully aware of the fact that the asset/s used in their model is/are free and not made by the creator they are commissioning.

4) If you upload a model wearing one/some of my items on VRoid hub, please don't allow download.

4a) You can allow use

4b) Credit me using the VRoidHub option to link booth items if you upload a model on VRoid hub

5)Don't claim any of these assets / items as your own creation.(DO NOT put these as examples on your commission sheet)

7)DO NOT use in any NFT related content (es:nft videogame)

REDISTRIBUTION RULES (for free items only)

-You can redistribute these assets only if you edit them.

-Any redistribution of these items MUST BE FOR FREE(no reselling).

-If you want to redistribute edits of these items, it is necessary to explicitly state that these are edits of my assets, and give a link to the original assets.

-Redistribution on a model must include credits.(Rule2)

-Redistribution on a model on VRoid Hub must include credits.(Rule 4 b)

CONTENT RULES:What kind of content can I create with these?What I cannot do?

SFW CONTENT/GENERAL CONTENT(these apply for EVERYTHING).

You can use these items for:

- Vtubing / Vstreaming(Any kind as long as you follow the rules).
- VRchat avatar creation(set your model to private to avoid unwanted redistribution)
- MMD Videos(send me the link if you do! I'd love to see them!)
- Create character models for a videogame (which counts a commercial use if sold,please give credits)
- Anything else you can use them in as long as the use doesn't break any of these rules.

- You CANNOT create any content that promotes(directly or indirectly)any form of racism, homophobia, transphobia, ableism and any other form of hate speech .
- You CANNOT create content that promotes hate towards one person/promotes bullying.
- You CANNOT create content that promotes illegal activities(in an unironical, non-fictional way, for example: of course roleplaying an evil characther will result in fictional display immoral or illegal acts like theft, murder etc. but it is okay as long as said views are not actually supported outside of fiction and irony, of course this rule does NOT give you freedom to say discriminatory jokes or display fictional acts that promote racism or any discrimination).

NSFW CONTENT

SEXUAL CONTENT

(these rules apply if the content you aim to make is of sexual nature, general content rules still apply)

- You can create sexual content.
- Sexual content that sexualizes minors/children or childish-looking/acting charatchers(also known as the "shota/loli"trope)is strictly forbidden(no, I don't care if she's"actually 500 years old",don't be gross).
- Sexual content that fetishizes homosexual relationships or trans folks is strictly forbidden(to clarify: if you are for example, a lesbian making content for lesbians, it is fine, what is not fine is a person out of the lgbtq+community fetishizing the community).
- Sexual content of charatchers that you do not own made without the owner's consent is strictly forbidden.(not actually expecting you to follow this,just letting you know that if you do it with this stuff you'll run double the trouble for being gross).
- Do not use in sexual content that has r*pe fetish in it(Please do not feticize s*xual ass*ult. To clarify, "consenting non consent" is a different thing, because it's actually consent).
- Erotic-grotesque content is forbidden.

VIOLENT/HORROR CONTENT RULES(these rules apply if the content you aim to make displays violence)

- You can create content that displays violence, gore and horror.
- Erotic-grotesque content is forbidden.

These conditions of use may be subject to changes and updates.

Please follow these terms with responsibility, if I see that many people fail to respect them I might take down my free assets and might decide to not make free assets in the future.

With that said, The Gambling Jester hopes you have fun with your brand new items!
