## Orbit Orbit Fruit

Dex	Skill	Max Radius
10	Small physical objects in orbit around self	1 m
31	Increase momentum of own body by orbiting around	5 m
51	Large physical objects in orbit around self	10 m
81	Can increase the momentum of objects in orbit	20 m
121	Can make objects orbit other people or things	50 m
151	Can make elemental attacks go into orbit	100 m

The Orbit Orbit devil fruit can make various objects go into an oval or circular path around himself or something else. The initial velocity of the object will carry on unless the user is increasing its velocity/momentum by slingshotting it around.
