

Privacy Policy for Multi Tool Calculator

Effective Date: May 12, 2026

1. Overview

Koiki Techs ("we," "us," or "our") built the Multi Tool Calculator app as an Ad-Supported app. This SERVICE is provided at no cost and is intended for use as is. This document is used to inform users regarding our policies with the collection, use, and disclosure of Personal Information.

2. Information Collection and Use

For a better experience, while using our Service, we do not require you to provide us with personally identifiable information. The app does, however, use third-party services that may collect information used to identify you for advertising and functional purposes.

3. Log Data

We want to inform you that whenever you use our Service, in the event of an error in the app, certain data and information (through third-party products) is collected on your phone called Log Data. This may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our Service, and the time and date of your use.

4. Service Providers

We may employ third-party companies (such as Google AdMob) to facilitate our Service and to serve advertisements. These third parties have access to your Advertising ID and device information to perform tasks on our behalf. They are obligated not to disclose or use the information for any other purpose.

5. Security

We value your trust. We use commercially acceptable means of protecting your data. However, remember that no method of transmission over the internet or method of electronic storage is 100% secure, and we cannot guarantee its absolute security.

6. Children's Privacy

These Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. If we discover that a child under 13 has provided us with personal information, we immediately delete this from our records.

7. Data Deletion

As this app does not require account registration or collect user profiles, there is no personal account data stored on our servers to delete. For any inquiries regarding data handled by advertising partners, please refer to the AdMob policy linked above.

8. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page.
