Hello SEPAC Families,

It's hard to believe we are already in the middle of September! The past two weeks seem to have flown by while simultaneously leaving us chasing our tails trying to stay on top of school communications, new routines, and everyday life. We'll keep this update short and sweet.

We have set three main goals for SEPAC this year:

- Build a strong network of support for families.
- Raise awareness of the Student Services Department's role beyond IEPs and 504s.
- Host monthly SEPAC community events, rotating times between mornings and evenings to accommodate different schedules.
