

# Lord Above All Outreach

SL: An alert from Jesus!!!

Hey what's up Drew,

I was scrolling through Instagram and found your page, the fact that you believe in God and also incorporate drip and fashion caught my eye. Few brands do that well.

Other new brands usually struggle to get

If that's a struggle you have, there's always the option of using a lead funnel.

It always gets people attached and willing to subscribe for more.

The biggest brands like GymShark and Lululemons also use luring captions to get people to click on their Bio like Intriguing DICs.

Email me back to talk about the best way to do this.

Jesus

P.S. That is my name.
