

Hi Gittemarie,

I hope you're doing well!

I wanted to share some positive qualities that I noticed about you.

Firstly,

you have a great sense of humor that genuinely catches my attention.

It's a great way to intrigue your audience and make yourself a likable person or even a role model. ❤️

Secondly,

It's clear to me that you care about saving lives like a superhero that people look up to. In your many lectures, the smile gives it away.

"A hero we need but don't deserve" right? 💪

Lastly,

I picked up on your attention to detail and desire to ensure nothing is left out.

This is commonly missed as it hides in plain sight while molding the shape of your **credibility as an influencer**.

Like "Optimize your website for sustainability"?

If you're interested in using this psychological advantage to connect with your audience even more, feel free to contact me.

Thanks for taking the time to read this, and I hope to see you in a better world. 😊

Best regards,

Marti
